Step 2: Confirm service

- Confirm the service with HMG or sign the consent form and send payment to HMG (if applicable)

Step 3: Make appointment

- After receiving the payment, HMG will arrange the service

Applicable Location

- Cities in the Greater Bay Area

Required Information

- Your name
- Policy number and contact phone number
- Signed consent form (if applicable)

Cost of Service

- Borne by you

² The service is provided by a third-party company, HealthMutual Group Limited (“HMG”).

Local Urgent Care Service (Hong Kong)^{2,3}

Service Highlight:

If you are hospitalized in a Hong Kong Hospital Authority hospital or emergency room, you may request urgent medical transportation if you are medically stable. Services include:

- Choose the suitable private doctor and hospital to take up the original medical service
- Arrange the transfer from a HKHA hospital to a private hospital by a private ambulance with the medical assisted transportation and medical escort

3 Easy Steps

Step 1: Contact us

- Call HMG 24-hour hotline or contact us through WhatsApp / WeChat and provide the required information
- Provide the details of the request
- HMG will form a WhatsApp / WeChat group for communication

Step 2: Confirm service

- Provide relevant information to HMG through WhatsApp / WeChat group or sign the consent form and send payment to HMG (if applicable)

Step 3: Make appointment

- Upon your confirmation and approval of HMG Medical Director, HMG will arrange the transfer service and keep you informed via WhatsApp / WeChat

Applicable Location

- Hong Kong

Required Information

- Your name and personal information
- Policy number and contact phone number
- Symptoms
- Current bed number in HKHA hospital
- Discharge confirmation document from HKHA doctor

Cost of Service

- Free (Category A products)
- Borne by you (Category B products)

² The service is provided by a third-party company, HealthMutual Group Limited (“HMG”).

³ Local Urgent Care Service is only applicable if (i) the insured is in a Hospital Authority emergency room and is triaged as non-life threatening, or is admitted in a Hospital Authority hospital and medical condition is certified to be stable for a transfer; and (ii) There is a private practiced doctor who agrees to take charge of the transferred case and proper medical facility is available; and (iii) HMG Medical Director has approved the transfer.

Hospital & Specialist Referral and Booking Service²

Service Highlight:

We assist you to choose the most suitable doctor and treatment plan within the HMG's extensive medical network:

- (i) Appointment for specialist consultation, day case surgery and accessing hospitalization, doctor referral
- (ii) Appointment for hospitalization and treatment in HMG's network hospital / clinic

3 Easy Steps

- Mainland China

Required Information

- Your name
- Policy number and contact phone number
- Your preferred location and specialty

Cost of Service

- Borne by you

For "Hospital & Specialist Referral and Booking Service Medical Network"
<https://www.yflife.com/en/Hong-Kong/Individual/Services/Forms-Library/>

² The service is provided by a third-party company, HealthMutual Group Limited ("HMG").

Second Medical Opinion²

Service Highlight:

If you are diagnosed with an illness⁴, you can seek for a face-to-face second medical consultation or teleconsultation⁶ given by network doctor⁵ in Hong Kong. You are eligible for this service once free of charge per diagnosis.

- (i) Insured living in Hong Kong: face-to-face second medical consultation
- (ii) Insured living in Macau or Mainland China: teleconsultation

² The service is provided by a third-party company, HealthMutual Group Limited (“HMG”).

⁴ (i) If the Insured has not been evaluated by a registered medical practitioner for his/her medical condition, his/her case is not applicable to this service; (ii) If the Insured has developed an acute or life-threatening condition, he/she should seek the immediate medical care of his/her treating registered medical practitioner and should not be delayed by the arrival of this service; (iii) In case of teleconsultation, if the Insured’s medical condition requires physical evaluation, his/her case is not applicable to this service.

⁵ The list of hospital and medical centers in our network and Face-to-face Second Medical Opinion procedures may be changed from time to time without prior notice.

⁶ For the insured who resides in Mainland China or Macau and could not make a trip to Hong Kong or insured who resides in Hong Kong but could not travel to the selected clinic, a teleconsultation could be arranged subject to HMG’s approval and compile with Hong Kong, Macau, or Mainland China medical practices and regulatory requirements.

Second Medical Opinion²

Worldwide Emergency Assistance Benefits

1. Definitions

Assistance Event shall mean any event or occurrence with respect to the Insured who is entitled to receive Assistance pursuant to the plans to which this value-added service is applicable, occurring within the territorial and time limits set forth in Duration of Cover and Limitations.

Emergency shall mean a serious medical situation or distress which could not be reasonably prevented and for which specific external help is required.

Country of Residence shall mean the place where the plans to which this value-added service is applicable is issued unless it is specially declared to YF Life.

2. Service Scope

If the Insured shall suffer serious Injury or sudden Sickness outside his country of permanent residence arising out of and while in the course of his journey, or during his period of expatriation provided that such journey or period of expatriation is not undertaken against the advice of the physician, and/or for the purpose of obtaining or seeking any medical or surgical treatment aboard, the following emergency assistance services and benefits are available directly from Europ Assistance without reimbursement of any such expenses incurred or paid directly by the Insured.

2.1 Medical Attention Telephone Medical Advice, Evaluation and Referral Appointment

When medical advice is needed, the Insured may telephone Europ Assistance Alarm Centre for medical advice and evaluation and, if necessary, for referral to the appropriate physician.

2.2 Emergency Evacuation

Should the Insured suffer bodily Injury or sudden Sickness such that the medical team and the attending physician recommend hospitalization in a/another medical facility, Europ Assistance will arrange for and pay the transfer of the Insured with necessary medical supervision by any means (including but not limited to air ambulance, scheduled commercial flight and road ambulance) to the nearest hospital.

2.3 Repatriation after Treatment

When after local treatment the medical condition of the Insured will not prevent his medically supervised repatriation as a regular passenger, Europ Assistance will organize and pay for the repatriation of the Insured to his country of permanent residence by scheduled airline flight (on economy class) or any other appropriate means of transportation, including any supplementary cost of transportation to and from the airport, if his original ticket is not valid for the purpose, provided that the Insured shall surrender any unused portion of his ticket to Europ Assistance. Any decision on the repatriation of the Insured shall be made jointly and exclusively by both attending physician and Europ Assistance's Alarm Centre doctor.

2.4 Repatriation of Mortal Remains/Ashes

Europ Assistance will organize and pay for the transportation of the mortal remains or ashes of the deceased Insured from the place of death to the country of burial.

2.5 Deposit Guarantee for Hospital Admission

In case of hospital admission duly approved by both the attending physician and Europ Assistance Alarm Centre doctor, if the Insured is without any means of payment of the required hospital admission deposit, Europ Assistance will guarantee or provide such payment up to US\$7,500 provided that the Insured or a relative or a representative of the Insured, in accordance with Europ Assistance's requirement, undertakes to reimburse Europ Assistance, interest free in one instalment, and within 30 days of return to place of residence, all expenses incurred by the Insured.

2.6 Travel Assistance

The Insured is entitled to the following information and services prior to or during his trip. The referral services however do not apply in the place where the plans to which this value-added service is applicable is issued:

- a) Updated Immunizations and Vaccinations Requirements and Needs
- b) Airport Taxes, Customs Regulations, Passport/Visa Requirements, Interpreter Referral
- c) Exchange Rates and Banking days
- d) Luggage Tracing and Retrieval
- e) Transmission of Urgent Messages
- f) Business Ethics, Language and Weather Information Worldwide

2.7 Legal Assistance

Worldwide Referral of Lawyers and Solicitors Firms

2.8 Emergency Rerouting Arrangements

Europ Assistance will assist the Insured in reorganizing his flight schedule should an emergency oblige him to alter his original plan.

2.9 Essential Medication / Medical Equipment

Upon request from a local attending physician Europ Assistance will, while possible and legally permissible, dispatch any essential medicine and/or medical equipment required for the Insured which is not locally available.

The Insured shall bear the cost of the items dispatched and the relevant transportation costs, unless these items are required for emergency according to the opinion of Europ Assistance medical team.

2.10 Medical Monitoring

Europ Assistance will monitor the Insured's medical condition if the Insured is hospitalized outside the country of residence and will update the employer or family of the Insured.

2.11 Compassionate Visit

In the event of the Insured suffering from serious Bodily Injury or sudden Sickness resulting in hospital confinement outside his country of residence for more than 7 (seven) consecutive days, Europ Assistance will arrange and pay for the cost of a return scheduled airline ticket (on economy fare basis) for a relative or designated person of the Insured to travel from the Insured's country of residence to the Insured's bedside, including the cost of an ordinary room accommodation in any reasonable hotel up to US\$150 per day for a maximum period of 5 (five) consecutive days, but excluding the cost of drinks, meals and other room services.

2.12 Return of Unattended Dependent Child(ren) to Country of Residence

If any of the Insured's traveling dependent child(ren) under 16 years of age is left unattended by reason of the Insured's bodily Injury or sudden Sickness resulting in hospital confinement outside his country of residence, Europ Assistance will organize and pay for the cost of a scheduled airline ticket (on economy fare basis), for such child(ren) to return to his home in the Insured's country of residence, including any supplementary cost of transportation to and from the airport, if the original ticket is not valid for the return, provided that the Insured shall surrender any unused portion of the return ticket to Europ Assistance. If necessary, Europ Assistance will also hire and pay for a qualified attendant to accompany any such dependent child(ren) for return journey.

2.13 Unexpected Return to the Country of Residence

In the event of the death of the Insured's close relative in his country of residence while the Insured is traveling overseas (excluding the case of immigration) necessitating an unexpected return to his country of residence, Europ Assistance will arrange and pay for the cost of a scheduled return airline ticket (economy class) for the return of the Insured.

2.14 Hotel Room Accommodation for Convalescence

Europ Assistance will arrange and pay for the cost of an ordinary room accommodation in any reasonable hotel up to US\$150 per day for a maximum of 5 (five) consecutive days, incurred by the Insured for the sole purpose of convalescence immediately following his discharge from the hospital, and if deemed medically necessary by both attending physician and Europ Assistance Alarm Centre doctor.

3. General Obligations

In the event of a bodily Injury or sudden Sickness resulting in the hospitalization of the Insured prior to notifying Europ Assistance, the Insured or his representative, where possible, shall contact any Europ Assistance representative or office within 30 days of the occurrence of such emergency or any complication directly relating to such emergency. In the absence of such notice, Europ Assistance will not be held responsible. Europ Assistance's Medical Team or other representatives shall have free access to the Insured in order to assess the Insured's condition. Without reasonable justification for denial of such an access, the Insured will not be eligible for further medical assistance.

4. Subrogation

In the event that Europ Assistance makes any payment in connection with the provision of assistance to an Insured, Europ Assistance shall be subrogated to the rights of such Insured to obtain payments from any third party found legally responsible for the assistance, up to the amount of such payment made by Europ Assistance and any other insurance or assistance plan which provides compensation to the Assistance Events.

5. Limitation & Exclusion

The Worldwide Emergency Assistance Benefits shall be subject to the same limitations and Exclusions as specified in the plans to which this value-added service is applicable.

6. Duration of Cover and Limitations

The benefits mentioned above cover the period during which Insured's coverage under the plans to which this value-added service is applicable is in force and apply worldwide outside the country of permanent residence of the Insured.

GBA Emergency Assistance Benefits

1. Definition

Bodily Injury shall mean any unforeseen bodily injury caused solely and directly by violent, accidental, external and visible means, occurring during the period covered by the eligible policy(ies).

Greater Bay Area (GBA) refers to the following cities in Hong Kong SAR, Macau SAR, and Guangdong Province of the People's Republic of China (GBA Cities):

- Hong Kong
- Macau
- Shenzhen
- Guangzhou
- Huizhou
- Dongguan
- Zhongshan
- Zhuhai
- Jiangmen
- Foshan
- Zhaoqing

Place of Residence means any place within Mainland China, Hong Kong and Macau.

Place of Incidence shall mean the place where the Bodily Injury or illness occurs. Place of Incidence is restricted to the GBA cities as defined for the purpose of this Agreement.

Serious Medical Condition shall mean condition which in the reasonable opinion of HMG constitutes a serious medical emergency requiring urgent remedial treatment to avoid death or serious impairment to the Insured's immediate or long-term health prospects. The seriousness of the medical condition will be judged in the context of the Insured's geographical location, the nature of the medical emergency and the local availability of appropriate medical care or facilities.

Urgent Medical Evacuation shall mean that the Insured is in urgent situations involving a Serious Medical Condition, whereby a medical evacuation will be arranged to transfer the Insured to a medical facility with adequate provisions to treat the patient. The geographical location for the medical evacuation is restricted to a location within the GBA.

2. Service Scope

The following services are provided by HealthMutual Group Limited ("HMG").

2.1 Urgent Medical Evacuation

If the Insured suffers from Bodily Injury or Illness at any Place of Incidence in GBA cities and under a Serious Medical Condition, HMG will arrange for the required transportation and coordinate the communication for moving the Insured, who is in a Serious Medical Condition, to the nearest hospital within GBA, where appropriate medical facilities are available.

To complete the medical evacuation, HMG will arrange for the followings:

- Medical-assisted transportation to transfer the patient to the appropriate medical facility
- Intensive care equipment will be provided as needed
- Qualified medical escort to monitor and manage the Insured's conditions during the transportation
- Reservation of bed in receiving hospital
- Constant monitoring of the Insured's medical condition of the Insured during his hospitalization until discharge as part of the medical evacuation
- Liaison with the family of the Insured and updates on the treatment's progress

Insured is responsible for the medically necessary expenses of such transportation and communications, as well as all usual and customary ancillary charges incurred in the services arranged by HMG.

Insured, Insured's heirs or representatives shall pay the medical transfer fee and sign a consent form agreeing to the medical transfer and payment of the cost of the medical transfer before such service can start.

2.2 Medical Repatriation

When an Insured is evacuated to a place within GBA cities for in-hospital treatment after Urgent Medical Evacuation, HMG will arrange for the return of the Insured by air or surface transportation to the Insured's Place of Residence.

Insured is responsible for all expense necessarily and unavoidably incurred in the services so arranged by HMG.

Insured, Insured's heirs or representatives shall settle the full cost of the service before such service can start.

2.3 Repatriation of Mortal Remains

After Urgent Medical Evacuation and upon the death of the Insured in GBA cities, HMG will arrange for transporting the mortal remains of the Insured from place of death, which is within the GBA cities, to the Place of Residence, or burying at the site of death at the request of Insured's heirs or representatives.

Insured's heirs or representatives shall settle the full cost of the service before such service can start.

2.4 Compassionate Visit

Provided that the Urgent Medical Evacuation is arranged, HMG will arrange for return airfare and hotel accommodation for relatives or friends of the Insured, travelling from the Place of Residence (PoR) to join the Insured who is hospitalized within the GBA cities. The cost of transportation and accommodation shall be borne by the Insured.

Insured or Insured's representatives shall settle the full cost of the service before such service can start.

2.5 Return of Unattended Child/children

HMG will arrange for the return of unattended children to the Place of Residence if they are left unattended as a result of the accompanying Insured's Urgent Medical Evacuation. An adult escort will be accompanying the children and hands over the children to the designated and authorized person in the designated city in the Place of Residence. The cost of services shall be borne by the Insured.

Insured or Insured's representatives shall settle the full cost of the service before such service can start.

2.6 Accommodation for convalescence

HMG will arrange for room accommodation in any reasonable hotel for the Insured for the sole purpose of convalescence immediately following his or her discharge from the hospital after Urgent Medical Evacuation.

The cost of room accommodation shall be borne by the Insured. Insured or Insured's representatives shall settle the full cost of the service before such service can start.

2.7 Unexpected Return to Place of Residence

If one of the Insured's Close Relatives in the Insured's Place of Residence dies while the Insured is living in GBA cities, necessitating the Insured's unexpected return to his Place of Residence, HMG will arrange for the transportation for the return of the Insured. The cost of transportation shall be borne by the Insured.

Insured or Insured's representatives shall settle the full cost of the service before such service can start.

2.8 Medical Service Provider Referral

If the Insured is situated in any GBA cities, upon request, HMG shall provide the Insured, with the name, address, telephone number and, if available, office hours of physicians, hospitals, clinics (collectively "Medical Service Providers"). If needed, HMG will arrange telephone consultation or house call by a medical doctor, provided there is no violation of any applicable regulations and such services are available.

HMG shall not be responsible for providing medical diagnosis or treatment. Although HMG shall make such referrals, it cannot guarantee the quality of the Medical Service Providers. The final selection of a Medical Service Provider shall be the decision of the Insured. However, HMG will exercise care and diligence in selecting the Medical Service Providers. All medical expenses will be borne by Insured.

2.9 Arrangement of Essential Medication / Medical Equipment

HMG will, at its best effort and subject to local regulations, arrange to deliver to the Insured essential medicine, drugs and medical supplies that are necessary for the Insured's care and/or treatment as a result of Urgent Medical Evacuation but which are not available at the Place of Incidence or at the hospital of treatment. The delivery of such medicine, drugs and medical supplies will be subject to the laws and regulations applicable locally.

Insured or insured's representatives shall pay for the cost of delivery in GBA cities, cost of medicine, drugs, medical supplies and any delivery cost thereof. The payment will be collected before the delivery of the medicine or drugs.

2.10 Arrangement of Hospital Admission and Guarantee of Hospital Admission Deposit

During or after Urgent Medical Evacuation, HMG will assist in guaranteeing the medical expenses, up to a limit of HKD 80,000 per Insured per incident, incurred during the Insured's hospitalization in any GBA cities. HMG shall secure payment from the Insured through his/ her credit card or from funds from the Insured's heirs or representatives.

Local Urgent Care Service (Hong Kong)

(Local Urgent Care Service (Hong Kong) Administration / Local Urgent Care Service (Hong Kong) Full Benefits)

Local Urgent Care Service (Hong Kong) Administration or Local Urgent Care Service (Hong Kong) Full Benefits are not a replacement for emergency care.

The services are provided by HealthMutual Group Limited ("HMG") to the Insured and shall comprise the following services:

The Insured shall call the HMG 24-hour service hotline to request for Local Urgent Care Service in Hong Kong. HMG will arrange necessary medical assisted transportation and the necessary medical escort to transfer the Insured from a registered Hong Kong government hospital or emergency room to a private medical facility provided conditions (i), (ii) and (iii) are all met:

- (i) Insured is in a Hospital Authority emergency room and is triaged as non-life threatening, or is admitted in a Hospital Authority hospital and medical condition is certified to be stable for a transfer; and
- (ii) There is a private practiced doctor who agrees to take charge of the transferred case and proper medical facility is available; and
- (iii) HMG Medical Director has approved the transfer.

For the Insured on eligible plans for Local Urgent Care Service (Hong Kong) Administration, the cost of the medical assisted transportation and cost of medical escort will be borne by the Insured.

For the Insured on eligible plans for Local Urgent Care Service (Hong Kong) Full Benefits, the cost of the medical assisted transportation and cost of medical escort will be borne by HMG.

Hospital & Specialist Referral and Booking Service

The services are provided by HMG to the Insured and shall comprise the following services:

- (i) HMG shall provide the Insureds with information regarding specialist consultation, doctor referral and accessing hospitalisation twenty-four hours from Monday to Sunday through telephone hotline, WhatsApp, or WeChat [note 1]; and
- (ii) HMG shall provide to the Insured access to a medical network as more particularly set out in “[YF GO! One-Stop Value-added Service - Second Medical Opinion Medical Network / Hospital & Specialist Referral and Booking Service Medical Network](#)” (the “Network Hospitals”) [note 2] and HMG shall assist the Insured to obtain specialist consultation and inpatient services that are suitable for the particular medical condition of the Insured; and
- (iii) Once admission to a Network Hospital through HMG has been confirmed, HMG shall provide the following assistance to the Insured subject to Insured’s consent, which shall include:
 - (a) subject to the approval of the Insured, collect medical diagnosis reports and medical receipts from the relevant Network Hospital; and
 - (b) communicate with YF Life about the medical situation in respect of the relevant Insured for arrangement of cashless service (if applicable).

Note 1: YF Life and HMG reserves the right to revise the means of service and/or service hours at any time at its sole discretion without any notice.

Note 2: YF Life and HMG reserves the right to revise the Network Hospitals at any time at its sole discretion without any notice.

Second Medical Opinion

The services are provided by HMG to the Insured and shall comprise the following service components:

- (a) The Insured may call the HMG 24-hour service hotline to request for Second Medical Opinion by one of the doctors in the HMG Specialist Network in Hong Kong (Please refer to “[YF GO! One-Stop Value-added Service - Second Medical Opinion Medical Network / Hospital & Specialist Referral and Booking Service Medical Network](#)” per illness diagnosed subject to the provision of satisfactory and adequate medical documents and diagnosis reports with the relevant illness diagnosis by the Insured. For the avoidance of doubt, each eligible Insured is eligible for this Second Medical Opinion service once per illness diagnosed. The Second Medical Opinion service to be given by HMG Specialist Network doctor is limited to:
 - (i) Explanation of medical documents and diagnosis reports; and
 - (ii) Provision of information on the common course of medical treatments; and
 - (iii) Provision of information on the range of medical expenses should medical treatments be administered in the location where the HMG Network Doctor is located.

- (b) A face-to-face Second Medical Opinion to be given by HMG Specialist Network doctor to the Insured can be arranged in Hong Kong upon request by the Insured subject to the availability of such HMG Specialist Network Doctor and as appropriate. The cost of the Second Medical Opinion shall be borne by HMG and HMG shall arrange this service to the Insured directly.
 - (i) For Insured who resides in China or Macau and could not make a trip to Hong Kong or Insured who resides in Hong Kong but could not travel to the selected clinic, a telephone session could be arranged subject to HMG’s approval and comply with both Hong Kong and Macau /Mainland China medical practices and regulatory requirements; and
 - (ii) Based on the result of the second medical opinion, the Insured can ask for a referral letter to consult a specialist relevant to the illness.

Arrangement for Overseas Medical Treatment

If the Insured suffers from a Designated Critical Illness (Please refer to Appendix 1) or any other Disability approved by HMG and YF Life, the following services are available directly from HMG without reimbursement of any such expenses incurred or paid directly by the Insured.

1. Pre-Selection of best cost / quality hospitals

HMG will advise the Insured on the selection of best available cost / quality hospitals.

2. Review of medical case with Insured's doctor and/or medical experts from HMG medical network

HMG will assist the Insured to review the medical case with the Insured's doctor and/or medical experts within HMG medical network.

3. Choice of best medical facility

HMG will advise the Insured for the best available medical facility upon reviewing the medical case to enable her/him to be hospitalized for further treatment.

4. Visa facilitation

HMG will advise the Insured on the requirement and application procedures in the event he/she is required to apply for any visa for the treatment overseas. The Insured shall bear any costs related to the visa without reimbursement from HMG.

5. Organization of treatment

HMG will assist the Insured on the organization of treatment and reservation for treatment undergone by physician. The Insured shall bear any costs related to treatment without reimbursement from HMG.

6. Coordination with treating teams

During the course of the treatment, HMG will coordinate with the treatment teams for close medical monitoring.

7. Travel Air Ticket Arrangement

HMG will assist the Insured and/or his/her travelling companions on the reservation of air ticket for the treatment overseas. The Insured shall bear any costs of air ticket without reimbursement from HMG.

8. Ground Limousine Transportation

HMG will assist the Insured on the reservation of ground limousine transportation for the Insured and/or his/her travelling companions transporting to and from place of residence/hotel and airport for the treatment overseas. The Insured shall bear any costs related to the transportation without reimbursement from HMG.

9. Arrangement of hotel accommodation for family members

HMG will assist the Insured and/or his/her travelling companions on the reservation of hotel accommodation for the treatment overseas. The Insured shall bear any costs related to the hotel accommodation without reimbursement from HMG.

10. Regular update on medical condition

HMG will regularly update the Insured's travelling companion or family member the Insured's medical condition during the course of the treatment.

11. Hospital admission and discharge

HMG will assist the Insured by arranging escort personnel/registered nurse to facilitate smooth admission and discharge. The Insured shall bear any costs related to the escort personnel/registered nurse without reimbursement from HMG.

12. Medical repatriation if needed

In the event the Insured is required to be medically repatriated from the place of treatment overseas to his/her home country, HMG will assist on the arrangement to allow the Insured to return home safe after the treatment overseas. The Insured shall bear any costs related to the medical repatriation without reimbursement from HMG.

The Insured shall reschedule or cancel the Arrangement for Overseas Medical Treatment by serving an advance notice to HMG via the telephone hotline. However, the reschedule or cancellation may be subject to cancellation fee of the relevant service providers.

China VIP Medical Navigation Services

The services are provided by HMG to the Insured and shall comprise the following services:

- (i) Doctor referral and booking assistance for hospitalization in Mainland China; and
- (ii) Provide accompanying services at HMG China VIP Hospitals Network (Please refer to "[YF GO! One-Stop Value-added Service - China VIP Medical Navigation Services Designated Hospital List](#)"); and
- (iii) Provide medical navigation services to Insured at HMG China VIP Hospitals Network.
- (iv) Coordinate Second Medical Opinion as needed.

Free Quote Before You Commit

The Insured / Policy Owner is entitled to receive a free estimate of the claimable amount for any potential treatment or procedure before committing to it.

The Insured / Policy Owner shall provide YF Life with the estimated fees to be incurred as furnished by the Hospital and/or attending Registered Medical Practitioner. The estimate is for reference only, and the actual amount claimable shall be subject to the final expenses as evidenced.

Cashless Arrangement Service

Please refer to the "[Flyer on Cashless Arrangement Service](#)".

Extended Family Protection During Hospitalization

HMG will provide the following services upon request from the Insured by calling HMG 24-hour call center. Upon the Insured is hospitalized consecutively for 3 days or more, the Insured can request for the following services in Hong Kong. HMG will inform the cost of each service requested. The cost of the services is borne by HMG and subject to an overall budget of HKD 10,000 per confinement case. If the overall budget exceeds HK\$10,000, the remaining cost balance will be borne by the Insured.

1. Home care

Upon receiving the Insured's request for such service within 24 hours from the time when all necessary proof or document requested by HMG have been submitted by the Insured. HMG shall organize for the Insured and pay for the cost of a domestic home helper to provide home care services, including housing keeping, cooking, clothes washing to the Insured's residence during the Insured's hospitalization.

2. Child care

Upon receiving the Insured's request for such service within 24 hours from the time when all necessary proof or documents requested by HMG have been submitted by the Insured to HMG. If any of the Insured's dependent child(ren) under the age of 15 is left unattended during the Insured's hospitalization, HMG will organize and pay for the cost of a baby-sitter or child-carer to the Insured's residence to look after up to two children.

3. Elderly care

If the Insured selects this service for one of the Insured's parents (age of 65 or above), HMG will secure a place in a licensed elderly home in Hong Kong for the Insured's designated parent upon receiving the Insured's request for such services within 24 hours from the time when all necessary proof or documents requested by HMG have been submitted by the Insured to HMG. HMG will arrange the transportation of the Insured's designated parent, who shall be escorted by the Insured or the Insured's designated representative, to the licensed elderly home by any appropriate transportation means and professionals if necessary. If any of the Insured's parent(s) at age of 65 or above suffered from illness or injury, HMG will secure a place in a licensed elderly home in Hong Kong for them.

4. Hospital Discharge Assistance

Upon discharge from a hospital, HMG shall organize an escort personnel to handle hospital discharge, and to arrange transportation for the Insured from hospital in Hong Kong to the Insured's residence. Insured shall make a request to HMG one (1) working day prior to his/her hospital discharge, and HMG needs to receive from the Insured all relevant documents. The service will be available on the subsequent working day.

Recovery and Rehabilitation Care

The services are provided by HMG to the Insured who is diagnosed with Cancer, Stroke or Heart Attack and shall comprise the following services. The cost of the services below shall be borne by HMG and subject to a cap of HKD 10,000 per illness diagnosed. If the overall budget exceeds HK\$10,000, the remaining cost balance will be borne by the Insured.

1. Speech Therapy Assessment

HMG will arrange and pay for “1 on 1” face-to-face assessment sessions for the Insured to meet with a speech therapist. The speech therapist will assess the Insured’s problems with swallowing difficulties and language disorders so as to give advice on appropriate follow-up treatment.

2. Home Remodelling

HMG will arrange and pay for i) occupational therapist to provide advice on home remodelling through on-site sessions and ii) to provide home modification work at the residence of the Insured.

3. Family Caregivers Training

HMG will arrange and pay for one family caregiver training session by a healthcare personnel to train the Insured’s immediate family member and/or caregivers for necessary skills and techniques in daily caregiving. The healthcare personnel will assess the Insured’s physical condition and living environment to provide the most appropriate training and advice.

4. Counselling Services

HMG will arrange and pay for “1 on 1” face-to-face consultation sessions for either the Insured or his/her immediate family member to meet with a professional counsellor or a psychologist (the “Counsellor”). The Counsellor will offer emotional counselling to assist the Insured or his/her immediate family member to relieve the distress and anxiety he or she may suffer.

5. Dietitian Consultation

HMG will arrange and pay for “1 on 1” face-to-face consultation sessions for the Insured to meet with a registered dietitian. The dietitian will provide advice on the nutrition and diet issues caused by illness and treatment.

6. Assistance for Follow-up Treatment

HMG will arrange and pay for a healthcare assistant to accompany the Insured to medical facilities for follow-up medical appointments and back to the residence of the Insured. The healthcare assistant will attend to the needs of the Insured during the whole journey of follow-up treatment

including transferring the Insured in and out of the vehicle, assisting in the registration process in the medical facilities, collecting prescribed medication and reports as well as assisting in booking follow-up visits. HMG will arrange and pay for the transportation to medical facilities and back to the residence of the Insured.

7. Rehabilitation Equipment Rental

HMG will arrange and pay for the rental of one manual wheelchair or walking cane to assist the Insured's mobility. The equipment will be delivered to the residence of the Insured. The Insured is eligible for the service for one time per illness diagnosis or per new treatment plan.

These services are provided in Hong Kong only.
