## **Important Information**

### **Premium Payment Term and Benefit Term**

#### **If this policy is a Basic Plan**

The premium payment term and the benefit term are up to age 100 of the Insured. If the premium is not paid before the end of the 31-day Grace Period from such premium due date, all coverage under the policy will be terminated.

#### **If this policy is a Supplementary Benefit**

The premium payment term and the benefit term are up to (1) age 100 of the Insured, or (2) the end of the premium payment term for the basic plan to which the supplementary benefit is attached, whichever is earlier. If the Cash Value of the basic plan is not sufficient to cover the monthly charges (including the cost of supplementary benefits) and no premiums are paid before the end of the 31-day Grace Period from such premium due date, all coverage under the policy will be terminated.

### **Termination**

The policy / supplementary benefit will be terminated when one of the following events occurs:

- On the Benefit Expiry Date
- The Grace Period ends (if applicable)
- The policy owner submits a written request to terminate this policy/supplementary benefit
- The aggregated benefit amount paid/payable under this policy (except Death Benefit and Health Checkup) reaches 100% of the Sum Insured
- The Insured dies

#### **If this policy is a Supplementary Benefit, it will also be terminated when the following event occurs:**

- The basic plan to which this supplementary benefit is attached terminates or becomes paid-up or converts to Reduced Paid-Up /Extended Term Insurance

### **Premium Adjustment**

The policy/supplementary benefit will be renewed at the expiration of each 5-year term for another term upon receipt of the payment of the premium in accordance with the premium rate in effect of the same plan of the then attained age of the Insured on the date of renewal. YF Life Insurance International Ltd. reserves the right to change the premium on each renewal, and notifies you the related changes by giving you a written notice no less than 30 days prior to each policy anniversary. The major factors to consider for premium adjustment include, but not limited to, the claim experience of YF Life Insurance International Ltd. and expenses.

### **Inflation Risk**

Where the actual rate of inflation is higher than expected, the policy owner might receive less in real terms even if YF Life Insurance International Ltd. meets all of its contractual obligations.

### **Credit Risk**

This plan is underwritten by YF Life Insurance International Ltd. The insurance benefits are held solely responsible by the Company and subject to its credit risk.

### **Medically Necessary**

Means all of the following conditions are met:

1. Consistent with the diagnosis and customary medical treatment for the condition.
2. In accordance with standards of good medical practice.
3. Not for the convenience of the Insured and / or the Doctor.

### **Key Exclusions**

The policy will not pay any benefit claims caused directly or indirectly, by or resulting from one or more of the following:

- Pre-existing symptoms or conditions;
- Any female illness or female critical illness which occurs within 60 days after the Effective Date of Coverage; any pregnancy complication of the Insured which is first diagnosed within 300 days after the Effective Date of Coverage or congenital anomaly of the Child who is borne by the Insured within 300 days of Effective Date of Coverage;
- The Insured dies within 30 days from the date of the the first diagnosis of female illness, female critical illness or complication of pregnancy; the Child dies within 30 days from the date of the first diagnosis of a congenital anomaly;
