Triple Income Protection

The Income Protector offers you a comprehensive 3-level monthly benefit to cover any income loss resulting from your inability to work¹. In the event of total disability², 100% of the Monthly Benefit will be paid. Even if you were unemployed before your disability, 50% of the Monthly Benefit will still be paid. With this cash benefit at your complete disposal, you can rest assured that your family will be well taken care of financially at all times. In addition, a Residual Disability Benefit will be paid during your rehabilitation³. If, after receiving Total Disability Benefits for 14 days or more, your monthly earnings during rehabilitation are over 25% less than your pre-disability monthly income, a monthly benefit based on the percentage of your income loss will be paid until you fully recover or the benefit period ends⁴.

Waiver of Premium Extra Home Nursing Benefit

To further alleviate your financial burden, premiums falling due will be waived as long as Total Disability Benefit or Residual Disability Benefit is payable.

If, due to medical necessity, a registered home nurse is required, the Income Protector will provide you with an extra Home Nursing Benefit for up to 30 days, giving you extra peace of mind⁵.

Money Back 100% Guaranteed

Best of all, the Income Protector guarantees you a full refund of all premiums paid⁶ effective from the 15th policy anniversary onwards. From that moment on, you have total control over the best time to surrender your policy and get the full refund. In other words, you can enjoy free protection as long as you want to. What's more, even if you have claimed disability benefits, on policy surrender you can still get a full premium refund net of any claim benefits paid to you⁶.

Death Benefit for Extra Protection

For your extra protection, the Income Protector also offers Death Benefit. In the event of the death of the Insured, the beneficiary will receive an amount equal to all premiums paid net of any claim benefits paid to the Insured⁶.
