

MassMutual Connect – MPF App

In order to provide convenient electronic MPF services and encourage scheme members to use more of these services, we've now launched "MassMutual Connect – MPF App".

To obtain your own MPF card, you can install "MassMutual Connect" from the app stores, and input required information or scan the QR Code from MPF Enquiry System.

Download the App
"MassMutual Connect",
then you can manage your
MPF account anytime and
anywhere!!

The MassMutual Connect – MPF Card includes the following functions:

(1) Virtual Agent

- To view the account details, download the benefit statement and change of personal information via "Virtual Agent".

(2) Investment Instructions

- To submit the change of fund allocation & fund switching in express way via "Investment Instructions".

(3) Constituent Fund

- To view the constituent fund details and latest fund price via "Constituent Fund".

For the installation and the use of "MassMutual Connect" and its functions, please go to our webpage <http://corp.massmutualasia.com/en/MPF-Pension/Hong-Kong-Mandatory-Provident-Fund/eServices-Platform.aspx> to view or download the "Client Installation Guide & User Manual" of MassMutual Connect.

Should you have any queries, please feel free to contact our MPF Hotline at 2533 5522.
