What are the risks of your MPF investment?

Investment involves risks. Please refer to the MPF Scheme Brochure of **MASS Mandatory Provident Fund Scheme** – Risk Section for details of the risk factors to which the funds are exposed, which is available via the link:

https://www.yflife.com/sites/default/files/pdf/form_download/highlight_item/MT00350_MPF_Scheme_Brochure_Eng_5.pdf

A fund in a higher risk class tends to show a greater volatility of return than a low-risk class fund. Information about the latest risk class of each fund is set out in the latest fund fact sheet (FFS) of

MASS Mandatory Provident Fund Scheme, which is available via the link:
