As advised by Value Partners Limited, there will be the following changes to Value Partners Classic Fund (the “Underlying Fund”), the underlying fund of the investment choices with effective from September 21, 2015 (the “Effective Date”).

A. Change in Domicile of the Underlying Fund

1. Change in Domicile of the Underlying Fund and Change of Trustee

With effect from the Effective Date,

- (a) the jurisdiction of the Underlying Fund will be changed from the Cayman Islands to Hong Kong;
- (b) as a result of the change in domicile of the Underlying Fund, the existing trustee of the Underlying Fund, namely Bank of Bermuda (Cayman) Limited (the “Retiring Trustee”) will retire and cease its other functions such as registrar and administrator of the Underlying Fund;
- (c) in relation to the Underlying Fund, the trustee functions will be assumed by HSBC Institutional Trust Services (Asia) Limited (the “New Trustee”), which is currently the custodian and registrar’s agent of the Underlying Fund.
- (d) the New Trustee will declare that with effect on and from the Effective Date, the proper law of the Underlying Fund shall be the laws of Hong Kong and the forum for the administration of the Underlying Fund shall be Hong Kong.

The reasons for proposing the change of the jurisdiction of the Underlying Fund is to rationalize the structure of the Underlying Fund as the operations of the Underlying Fund are mainly in Hong Kong and to prepare for distribution of the Underlying Fund in Mainland China under the Mainland-Hong Kong Mutual Recognition of Funds initiative, so as to broaden and diversify the investor base.

The manager is of the view that the change of domicile and trustee is beneficial to the Underlying Fund and in the interests of investors.

2. Change of Manager

As part of the rationalization of the structure of the Underlying Fund and to prepare for distribution of the Underlying Fund in Mainland China under the Mainland-Hong Kong Mutual Recognition of Funds initiative, immediately after the retirement of the Retiring Trustee and the appointment of the New Trustee and the change of jurisdiction of the Underlying Fund, the existing manager, Value Partners Limited (the “Retiring Manager”) will retire as manager of the Underlying Fund and Value Partners Hong Kong Limited (the “New Manager”) will be appointed as manager of the Underlying Fund.

The New Manager is the immediate holding company of the Retiring Manager and is currently managing other existing funds authorised by the Securities and Futures Commission (“SFC”). The New Manager shares the same infrastructure, including investment personnel, as the Retiring Manager. Accordingly, the change of manager will not affect the management of the Underlying Fund and the Underlying Fund will continue to operate in the same manner as it currently operates. Further, there is no change to the communication channels in relation to the Underlying Fund.

3. Change of Registrar and Administrator

With effect from the Effective Date, the New Trustee will also replace the Retiring Trustee as the registrar and administrator. The New Trustee will maintain the register in Hong Kong.

4. Consequences of Changes

The above changes will not result in (i) any increment in the current and maximum investment management fees and trustee fees payable by the Underlying Fund; or (ii) any additional type of fee being payable by investors; (iii) any change in respect of fees payable by the Underlying Fund or investors; or (iv) any change in the dealings of the Underlying Fund.

The fees and expenses incurred in connection with the above changes will be borne by the Retiring Manager.

B. Change in Investment Policy

1. Maximum exposure to A shares through the Stock Connect, CAAPs and A Shares CIS

With effect on and from the Effective Date, the Underlying Fund's maximum exposure to A shares through the Stock Connect, CAAPs and A Shares CIS will be reduced from 30% to 20% of the Underlying Fund's total net asset value.

The change of the investment policy of the Underlying Fund does not amount to a material change to the Underlying Fund and there will be no increase in the overall risk profile of the Underlying Fund following the change.

2. Consequences of Changes

The above changes will not result in (i) any increment in the current and maximum investment management fees and trustee fees payable by the Underlying Fund; or (ii) any additional type of fee being payable by investors; (iii) any change in respect of fees payable by the Underlying Fund or investors; or (iv) any change in the dealings of the Underlying Fund.

The fees and expenses incurred in connection with the above changes will be borne by the Retiring Manager.

C. Change in Investment Restrictions

1. Investment in Underlying Collective Investment Schemes

With effect from the Effective Date, the investment restrictions regarding investment in underlying collective investment schemes will be amended to reflect the current requirements in the Code on Unit Trusts and Mutual Funds (the "Code") as follows -

- (a) the Underlying Fund may not invest (i) more than 10 per cent. of its total net asset value in shares or units in other collective investment schemes (namely "underlying schemes") which are non-recognised jurisdiction schemes (as permitted in the Code) and not authorised by the SFC; (ii) more than 30 per cent. of its total net asset value in shares or units in each underlying scheme which is either a recognised jurisdiction scheme (as permitted in the Code) or an SFC-authorised scheme unless the underlying scheme is authorised by the SFC, and the name and key investment information of the underlying scheme are disclosed in the offering document; provided that -
- (1) no investment may be made in an underlying scheme the investment objective of which is to invest primarily in any investment prohibited by Chapter 7 of the Code;
 - (2) where the investment objective of such underlying scheme is to invest primarily in investments restricted by Chapter 7 of the Code, such holdings may not be in contravention of the relevant limitation;
 - (3) all initial charges on the underlying scheme must be waived if the underlying scheme is managed by the manager or any of its Connected Persons; and
 - (4) the manager may not obtain a rebate on any fees or charges levied by such underlying scheme or its manager.

2. Investment Restrictions regarding Uncovered Options

With effect from the Effective Date, the investment restrictions regarding options will be amended such that the manager shall not write uncovered options to reflect the current requirements in the Code.

21 August 2015

NOTICE TO UNITHOLDERS – VALUE PARTNERS CLASSIC FUND (“Fund”)

Dear Unitholders,

We are writing to inform you of the following changes to the Fund with effect from 21 September 2015 (“Effective Date”):

- A. change in domicile and change of Trustee, Manager, Registrar and Administrator of the Fund;
- B. change in investment policy of the Fund;
- C. change in investment restrictions regarding investment in underlying collective investment schemes;
- D. establishment of new classes of units; and
- E. administrative changes relating to subscriptions, redemptions and switching.

A. Change in Domicile of the Fund

1. Change in Domicile of the Fund and Change of Trustee

The Fund was established as a trust on 1 April 1993 under the laws of the Cayman Islands and recorded by a trust deed dated 26 October 1993, as amended from time to time (the “Trust Deed”). It is regulated by the Cayman Islands Monetary Authority (“CIMA”). The reasons for proposing the change of the jurisdiction of the Fund is to rationalize the structure of the Fund as the operations of the Fund are mainly in Hong Kong and to prepare for distribution of the Fund in Mainland China under the Mainland-Hong Kong Mutual Recognition of Funds initiative, so as to broaden and diversify the investor base.

With effect from the Effective Date,

- (a) the jurisdiction of the Fund will be changed from the Cayman Islands to Hong Kong;
- (b) as a result of the change in domicile of the Fund, the existing Trustee of the Fund, namely Bank of Bermuda (Cayman) Limited (“Retiring Trustee”) will retire and cease its other functions such as Registrar and Administrator of the Fund;
- (c) in relation to the Fund, the trustee functions will be assumed by HSBC Institutional Trust Services (Asia) Limited (“New Trustee”), which is currently the Custodian and Registrar’s Agent of the Fund. The New Trustee is registered as a trust company in Hong Kong and is an indirect wholly owned subsidiary of The Hongkong and Shanghai Banking Corporation Limited. The ultimate holding company is HSBC Holdings plc. The New Trustee is independent of the existing Manager, Value

Partners Limited and Value Partners Hong Kong Limited (being the proposed new manager of the Fund) for the purpose of the Code on Unit Trusts and Mutual Funds (the “**Code**”) of the Securities and Futures Commission in Hong Kong (“**SFC**”). The retirement of the Retiring Trustee will take effect at the same time as the New Trustee takes up office; and

- (d) the New Trustee will declare that with effect on and from the Effective Date, the proper law of the Fund shall be the laws of Hong Kong and the forum for the administration of the Fund shall be Hong Kong.

The Manager is of the view that the change of domicile and trustee is beneficial to the Fund and in the interests of unitholders. No approval from unitholders or extraordinary resolution is required under the relevant laws of Cayman Islands and the Trust Deed.

The change of domicile and trustee will not result in the Fund incurring any liability to taxation or suffering any other pecuniary disadvantage which the Fund might not otherwise have incurred or suffered and will not subject the Fund to additional regulations or requirements which it would not otherwise be subject to. Notwithstanding the foregoing, unitholders will be subject to stamp duty on the transfer of units. With effect from the Effective Date, the register of unitholders of the Fund will be maintained in Hong Kong, no Hong Kong stamp duty will be payable by unitholders on the issue and/or redemption of units in the Fund. However, the transfer of units in the Fund by unitholders may be subject to stamp duty in Hong Kong, depending on the mode and circumstances of the transfer. The current rate of Hong Kong stamp duty if applicable is HK\$1 per HK\$1,000 or part thereof of the price or market value of the units, whichever is higher. In addition, a fixed duty of HK\$5 is currently payable on any instrument of transfer of units.

As regards the Fund being a regulated mutual fund in the Cayman Islands, the Manager confirms that application has been made for deregistration of the Fund from CIMA with effect on and from the Effective Date.

2. Change of Manager

As part of the rationalization of the structure of the Fund and to prepare for distribution of the Fund in Mainland China under the Mainland-Hong Kong Mutual Recognition of Funds initiative, immediately after the retirement of the Retiring Trustee and the appointment of the New Trustee and the change of jurisdiction of the Fund, the existing Manager, Value Partners Limited (“**Retiring Manager**”) will retire as manager of the Fund and Value Partners Hong Kong Limited (“**New Manager**”) will be appointed as manager of the Fund.

The New Manager is licensed by the SFC for type 1 (dealing in securities), type 4 (advising on securities), type 5 (advising on futures contracts) and type 9 (asset management) regulated activities under the SFO with CE number AFJ002. The New Manager is the immediate holding company of the Retiring Manager and is currently managing other existing funds authorised by the SFC. The New Manager shares the same infrastructure, including investment personnel, as the Retiring Manager. Accordingly, the change of manager will not affect the management of the Fund and the Fund will continue to operate in the same manner as it currently operates. Further, there is no change to the communication channels in relation to the Fund.

The change of manager does not require approval from unitholders nor extraordinary resolution under the relevant laws of Hong Kong and the Trust Deed.

3. Change of Registrar and Administrator

With effect from the Effective Date, the New Trustee will also replace the Retiring Trustee as the Registrar and Administrator. The New Trustee will maintain the register in Hong Kong.

4. Duration of the Fund

Under the existing Trust Deed which is governed by the laws of the Cayman Islands, the Fund shall continue until the date falling 20 years after the date of the death of the last to die of the descendants of King George V living on 1st April 1993, unless the Fund is terminated earlier in accordance with the Trust Deed.

Following the removal of the Fund to Hong Kong, the Fund will be governed by Hong Kong laws. Under the Perpetuities and Accumulations Ordinance (Chapter 257 of the Laws of Hong Kong) as amended from time to time, the maximum duration of a trust in relation to an instrument which took effect prior to 1 December 2013 is 80 years from the date of its establishment or such other date or duration as contemplated by the Perpetuities and Accumulations Ordinance (Cap 257) as amended from time to time.

The Fund was established on 1 April 1993. Consequently, the duration of the Fund following the change of domicile to Hong Kong shall be a period of 80 years from the date of its establishment in the Cayman Islands (i.e. from 1 April 1993 to 31 March 2073), unless it is terminated earlier in accordance with the Trust Deed.

5. Amendments to the Trust Deed

With effect on and from the Effective Date, the Trust Deed will be supplemented by the Deeds of Retirement and Appointment (the “**Deeds of Retirement and Appointment**”) to reflect the change of domicile of the Fund, the retirement of the Retiring Trustee and the Retiring Manager and the appointment of the New Trustee and the New Manager.

The change of domicile of the Fund, the retirement of the Retiring Trustee and the Retiring Manager and the appointment of the New Trustee and the New Manager will take effect pursuant to the Deeds of Retirement and Appointment. The Trust Deed will be further amended by a supplemental deed (the “**Supplemental Deed**”) to reflect consequential amendments arising from the change of domicile of the Fund, the retirement of the Retiring Trustee and the Retiring Manager and the appointment of the New Trustee and the New Manager.

The New Trustee has certified that the amendments to the Trust Deed by way of the Supplemental Deed do not materially prejudice the interests of unitholders in any class; do not operate to release to any material extent the New Trustee or the New Manager or any other person from any liability to unitholders in any class; and will not result in any increase in the amount of costs and charges payable from the assets of the Fund. Accordingly, such amendments to the Trust Deed do not require any prior approval from unitholders or meeting of unitholders to be held to pass an extraordinary resolution under the relevant laws of Hong Kong and the Trust Deed.

A summary of the key amendments to be made to the Trust Deed by way of the Supplemental Deed is as follows:

- (a) changes to the recitals of the Trust Deed regarding the retirement of the Retiring Trustee and the Retiring Manager and the appointment of the New Trustee and the New Manager;

As such, the Explanatory Memorandum will be updated to clarify that applications for subscription, redemption or switching of units by prospective investors or unitholders (as the case may be) are to be sent to the Registrar (instead of the Manager). The change is only intended to clarify on the entity that is responsible for handling applications for subscription, redemption and switching of units. There will be no change in the dealing procedures of the Fund.
2. The Explanatory Memorandum currently discloses that the applications for subscription, redemption and switching of units have to be made by post or by fax.

With effect from the Effective Date, the Manager may also, in its discretion, allow any requests for applications for subscription, redemption and switching of units to be made by other written or electronic forms specified by the Manager.
