The following change(s) in investment choice(s) relate(s) to the "Global InvestPlus" and "Premier-Choice Series" plans, including Premier-Choice ULife InvestPlan, Premier-Choice Flexi, Premier-Choice Flexi Plus, Premier-Choice InvestPlan and Premier-Choice Plus InvestPlan.

As advised by Morgan Stanley, there were the following changes to the underlying funds with effect from February 29, 2016.

1. Change in Definition of Fixed Income Securities for the Underlying Funds of the Investment Choices

- *MassMutual Morgan Stanley Investment Funds Diversified Alpha Plus Fund "AH" Shares (MSDAU)*
- *Morgan Stanley Investment Funds Global Bond Fund "A" Shares (MSGBU)*

The board of directors of the underlying funds of the investment choices above has resolved to update the definition of fixed income securities, as outlined in the "Definitions" section of the current prospectus of the underlying funds, to provide further clarification on the instruments included in the investment universe of the underlying funds. Specifically, equity securities will be excluded as a type of transferable security under the definition of "Fixed Income Securities" of the prospectus. The reason for this change is to make clear to investors the existing circumstances in which equity securities may be invested or held by the underlying funds as fixed income securities.

The related risk factors associated with fixed income securities will be updated accordingly under the "Risk Factors" section of the prospectus of the underlying funds so as to make clear that such risk factor only applies to fixed income securities. The risk profiles of the underlying funds will not change due to the proposed change outlined above.

The above amendments do not have any impact on the investment strategies of the underlying funds, which shall (subject to any other relevant changes outlined in this notice), remain managed according to the same investment strategies and criteria as those used previously.

2. Update in Investment Policy of the Underlying Fund of the Investment Choice

- *Morgan Stanley Investment Funds Global Bond Fund "A" Shares (MSGBU)*

The board of directors of the underlying fund of the investment choice above has resolved to amend the investment policy of the underlying fund so as to permit the underlying fund to invest up to 20% of its respective net assets in contingent convertible instruments.

Contingent convertible instruments will be defined in the prospectus of the underlying funds as "debt security which may be converted into equity securities or suffer capital losses through decreasing its face value if pre-specified events occur, depending in particular on the capital ratio levels of the issuer of the security".

The purpose of this new investment restriction is to reflect new regulatory requirements from CSSF in Luxembourg in relation to investments made in contingent convertible instruments.

This amendment is not intended to have any impact on the investment strategies of the underlying fund, which shall, remain managed according to the same investment strategies and criteria as those used previously.

The risk factors associated with contingent convertible instruments will be updated accordingly under the "Risk Factors" section of the prospectus of the underlying fund. The risk profile of the underlying fund will not change due to this proposed change in the investment objective and policy of the underlying fund.

3. Clarification of Investment Policy of the Underlying Funds of the Investment Choices

- *Morgan Stanley Investment Funds Asian Property Fund "A" Shares (MSAPU)*
- *MassMutual Morgan Stanley Investment Funds European Property Fund "A" Shares (MSEPU)*
- *Morgan Stanley Investment Funds Latin American Equity Fund "A" Shares (MSLAU)*
- *Morgan Stanley Investment Funds US Property Fund "A" Shares (MSUPU)*

The board of directors of the underlying funds of the investment choices above has resolved to update the investment policy of the underlying funds so as to clarify that each underlying fund may invest in warrants on an ancillary basis.

The purpose of this change is to make clearer to investors that each underlying fund may invest in warrants as part of their respective existing investment policies.

The risk profile of the underlying funds will not change due to this proposed change in its investment policy.

This change in the investment policy of the underlying funds will be included in the prospectus and is not intended to have any impact on the underlying funds' current portfolios, which shall remain managed according to the same investment strategies and criteria than those used previously.

4. Update in Investment Process of the Underlying Fund of the Investment Choice

- *MassMutual Morgan Stanley Investment Funds Diversified Alpha Plus Fund "AH" Shares (MSDAU)*

The board of directors of the underlying fund of the investment choice above has resolved to revise the investment process of the underlying fund. The purpose of this updated investment process is to better explain to investors the investment process used by the investment adviser for the underlying fund.

It is proposed to implement the underlying fund's investment policy using a top-down, global macroeconomic and thematic investment approach that focuses on asset class, sector, region and country selection, as opposed to individual security selection. The underlying fund's allocations will be based upon the investment adviser's evaluations and analyses, taking into account its fundamental investment research, which is primarily driven by quantitative macroeconomic and market data.

Investment decisions will be made without regard to any particular limit, subject to Appendix A of the prospectus of the underlying fund, as to geographical location, sector, credit rating, maturity, currency denomination or market capitalization. The underlying fund may invest in any country, including developing or emerging market countries. The underlying fund's investments may be denominated in Euros or in currencies other than the Euro.

The risk profile of the underlying fund will not change due to this proposed change in its investment process.

As advised by Value Partners Limited, there will be the following changes to the underlying fund with effective from April 22, 2016 (the "Effective Date").

5. Change in Domicile and Change of Trustee, Manager, Registrar and Administrator of the Underlying Fund of the Investment Choice

- *Value Partners High-Dividend Stocks Fund - Class A1(VPHDU)*

A. Change in Domicile and Change of Trustee

The underlying fund of the investment choice above is currently constituted as a trust under the laws of the Cayman Islands. It is regulated by the Cayman Islands Monetary Authority. The reasons for proposing the change of the jurisdiction of the underlying fund is to rationalize the structure of the underlying fund as the operations of the underlying fund are mainly in Hong Kong and to prepare for distribution of the underlying fund in Mainland China under the Mainland-Hong Kong Mutual Recognition of Funds initiative, so as to broaden and diversify the investor base.

Bank of Bermuda (Cayman) Limited (the "Retiring Trustee") declares that with effect on and from the Effective Date, the proper law of the underlying fund will be changed from the Cayman Islands to Hong Kong. The courts of Hong Kong shall remain to be the forum for the administration of the underlying fund.

Immediately after the change in domicile of the underlying fund on the Effective Date, the Retiring Trustee, the existing trustee of the underlying fund, will retire and will also cease to act as registrar and administrator of the underlying fund. In relation to the underlying fund, the trustee functions will be assumed by HSBC Institutional Trust Services (Asia) Limited (the "New Trustee") which is currently the custodian and registrar's agent of the underlying fund. The New Trustee will also act as the administrator of the underlying fund on the Effective Date.

The manager is of the view that the change of domicile and trustee is beneficial to the underlying fund and in the interests of investors.

B. Change of Manager

As part of the rationalization of the structure of the underlying fund and to prepare for distribution of the underlying fund in Mainland China under the Mainland-Hong Kong Mutual Recognition of Funds initiative, immediately after the retirement of the Retiring Trustee and the appointment of the New Trustee and the change of jurisdiction of the underlying fund, the existing manager, Value Partners Limited (the "Retiring Manager") will retire as manager of the underlying fund and Value Partners Hong Kong Limited (the "New Manager") will be appointed as manager of the underlying fund.

The New Manager is the immediate holding company of the Retiring Manager and is currently managing other existing funds authorised by the SFC. The New Manager shares the same infrastructure, including investment personnel, as the Retiring Manager. Accordingly, the change of manager will not affect the management of the underlying fund and the underlying fund will continue to operate in the same manner as it currently operates. Further, there is no change to the communication channels in relation to the underlying fund.

C. Change of Registrar and Administrator

With effect on and from the Effective Date, the New Trustee will also replace the Retiring Trustee as the registrar and administrator. There will no longer be a registrar's agent after the New Trustee assumes the role of the registrar of the underlying fund. The New Trustee will maintain the register in Hong Kong.

D. Consequences of Changes

The above changes will not result in (i) any increment in the current and maximum investment management fees and trustee fees payable by the underlying fund; or (ii) any additional type of fee being payable by investors; (iii) any change in respect of fees payable by the underlying fund or investors; or (iv) any change in the dealings of the underlying fund.

The fees and expenses incurred in connection with the above changes will be borne by the Retiring Manager.

You should refer to the relevant offering documents and the notice to shareholders of the underlying fund(s) of the above investment choice(s), which are made available by MassMutual Asia Ltd. upon request, or visit our website (www.massmutualasia.com) to carefully read the details of the relevant documents in relation to the above change(s).

If you have selected the above investment choice(s) under your insurance policy and if for any reason you wish to change to other investment choice(s), you may switch your investment choice(s) to other available investment choice(s) provided by your policy. Currently, no switching charge and bid-offer spread apply to the investment choices. (The "**Company**")

NOTICE

Dear Shareholder,

We are writing to you as shareholder of a fund of the Company (each a "**Fund**", and collectively, the "**Funds**") to inform you that the Board of Directors of the Company (the "**Board**") has resolved to approve the following changes:

1. changes to the investment policy of the Morgan Stanley Investment Funds Global Opportunity Fund;
2. changes to the definition of "Fixed Income Securities" which may be invested in by Morgan Stanley Investment Funds Emerging Markets Debt Fund, Morgan Stanley Investment Funds Emerging Markets Domestic Debt Fund, Morgan Stanley Investment Funds Global Bond Fund and Morgan Stanley Investment Funds Global Convertible Bond Fund and Morgan Stanley Investment Funds Diversified Alpha Plus Fund;
3. update of the investment policies of Morgan Stanley Investment Funds Emerging Markets Debt Fund, Morgan Stanley Investment Funds Emerging Markets Domestic Debt Fund, Morgan Stanley Investment Funds Global Bond Fund and Morgan Stanley Investment Funds Global Convertible Bond Fund to restrict each of the Funds' investments in Contingent Convertible Instruments to not more than 20% of that Fund's assets;
4. clarification of the investment policies of the Morgan Stanley Investment Funds Asian Property Fund, Morgan Stanley Investment Funds Emerging Markets Equity Fund, Morgan Stanley Investment Funds European Property Fund, Morgan Stanley Investment Funds Global Infrastructure Fund, Morgan Stanley Investment Funds Global Property Fund, Morgan Stanley Investment Funds Latin American Equity Fund and Morgan Stanley Investment Funds US Property Fund to make it explicit that each Fund is permitted to invest in warrants on an ancillary basis;
5. removal of the investment restriction for Funds' investments in warrants to be less than 10% of its assets;
6. update of the investment process of the Morgan Stanley Investment Funds Diversified Alpha Plus Fund;
7. update of the investment process of the Morgan Stanley Investment Funds Global Opportunity Fund; and

8. change of the dividend policy of Distributing Share Classes.

1. Change in Investment Policy of the Global Opportunity Fund

The Board has resolved to change the investment policy of the Global Opportunity Fund, as outlined in the current prospectus by extending the current Fund's primary universe to depositary receipts (including American Depositary Receipts (ADRs) and Global Depositary Receipts (GDRs)) and, to a limited extent, to collective investment schemes and open-ended ETFs. This change will allow the Fund's Investment Adviser to invest more of the Fund's assets in instruments of this nature when the Investment Adviser considers it appropriate to do so.

The Company also proposes to remove the reference to the Fund investing on an ancillary basis in "equities of companies not meeting the criteria of the Fund's primary investments", so as to clarify that equity securities generally would fall within the Fund's primary investment universe.

This revised investment policy will still be implemented by using a bottom-up, fundamental investment approach, and shall have no impact the Fund's ability to use derivatives, whether for investment purposes and/or for efficient management purposes. The Fund continues not to invest extensively or primarily in financial derivative instruments. As a consequence thereof, the investment objective and policy of the Fund in the next updated version of the prospectus (the "**Prospectus**") shall be read as follows with effect as of 25 April 2016:

*"The Global Opportunity Fund's investment objective is to seek long term appreciation, measured in US Dollars. **The Fund will seek to achieve its investment objective by investing primarily in equity securities, including depositary receipts (including American Depositary Receipts (ADRs) and Global Depositary Receipts (GDRs)), of issuers Located in any country.***

With a view to enhancing returns and/or as part of the investment strategy, the Fund may (in accordance with the investment powers and restrictions set out in Appendix A) make use of exchange traded and over-the-counter options, futures and other derivatives for investment or efficient portfolio management (including hedging) purposes.

The Fund may also invest on an ancillary basis, in debt securities convertible into common shares, preference shares, warrants on securities, cash and cash equivalents and other equity linked securities.

The Fund may invest to a limited extent in units/shares of other collective investment schemes, including the Company's Funds and open-ended ETFs.

The Fund will invest in a diversified portfolio of companies using in-depth bottom-up fundamental company research. The investment process relies on a disciplined approach to identify companies with sustainable competitive advantages and the ability to redeploy capital at a high rate of return. The Investment Adviser aims to buy these issuers at large discounts, to Investment Adviser's opinion, of their intrinsic value."

2. Change in definition of Fixed Income Securities

The Board has resolved to update the definition of Fixed Income Securities, as outlined in the "Definitions" section of the current prospectus dated May 2015, to provide further clarification on the instruments included in the investment universe of the Emerging Markets Debt Fund, Emerging Markets Domestic Debt Fund, Global Bond Fund, Global Convertible Bond Fund and Diversified Alpha Plus Fund. Specifically, equity securities will be excluded as a type of transferable security under the definition of "Fixed Income Securities" of the Prospectus. The reason for this change is to make clear

to investors the existing circumstances in which equity securities may be invested or held by certain Funds as Fixed Income Securities.

As a consequence thereof, the definition of "Fixed Income Securities" in the Prospectus shall be read as follows:

"Fixed Income Securities" shall mean:

- (i) transferable securities **other than equity securities**; and*
- (ii) money market instruments.*

For the avoidance of doubt, this includes:

- (i) both fixed and floating rate instruments;*
- (ii) **debt securities of any type, including all types of bonds and debentures, and including securitised debt of any type, including asset backed securities, whether backed by mortgages ("mortgage backed securities") or other receivables such as credit card debt or other loans that have been securitised; and***
- (iii) **all instruments that can be considered money market instruments, including without limitation commercial paper, loan participations and loan assignments.***

For these purposes subordinated and/or hybrid securities, convertible bonds and Contingent Convertible Instruments are considered to be "transferable securities other than equity securities".

For the avoidance of doubt, this definition shall only include instruments of the above types that are also Eligible Assets for investments of UCITS, subject to the provisions of Directive 2007/16/EC of 19th March 2007 implementing Council Directive 85/611/ EEC on the coordination of laws, regulations and administrative provisions relating to undertakings for collective investment in transferable securities (UCITS) as regards the clarification of certain definitions (the "Directive 2007/16/EC").

Investors should also note that related risk factors associated with fixed income securities will be updated accordingly under the "Risk Factors" section of the Prospectus so as to make clear that such risk factor only applies to fixed income securities. The risk profiles of the relevant Funds which invest in Fixed Income Securities will not change due to the proposed change outlined above.

Investors should note that the above amendments do not have any impact on the investment strategies of the Funds, which shall (subject to any other relevant changes outlined in this Notice), remain managed according to the same investment strategies and criteria as those used previously.

The effective date of this change was 29 February 2016.

3. Update in the Investment Policies of Emerging Markets Debt Fund, Emerging Markets Domestic Debt Fund, Global Bond Fund and Global Convertible Bond Fund

The Board has resolved to amend the investment policy of the Emerging Markets Debt Fund, Emerging Markets Domestic Debt Fund, Global Bond Fund and Global Convertible Bond Fund so as to permit each such Fund to invest up to 20% of its respective net assets in Contingent Convertible Instruments.

Contingent Convertible Instruments will be defined in the Prospectus as "debt security which may be converted into equity securities or suffer capital losses through decreasing its face value if pre-specified events occur, depending in particular on the capital ratio levels of the issuer of the security".

The purpose of this new investment restriction is to reflect new regulatory requirements from CSSF in relation to investments made in Contingent Convertible Instruments.

Investors should note that this amendment is not intended to have any impact on the investment strategies of the Emerging Markets Debt Fund, Emerging Markets Domestic Debt Fund, Global Bond Fund and Global Convertible Bond Fund, which shall, remain managed according to the same investment strategies and criteria as those used previously.

Investors should also note that risk factors associated with contingent convertible instruments will be updated accordingly under the "Risk Factors" section of the Prospectus. The risk profile of the relevant Funds will not change due to this proposed change in the investment objective and policy of the Funds.

The effective date of this change was 29 February 2016.

4. Clarification of the Investment Policies of the Asian Property Fund, Emerging Markets Equity Fund, European Property Fund, Global Infrastructure Fund, Global Property Fund, Latin American Equity Fund and US Property Fund

The Board has resolved to update the investment policy of the Asian Property Fund, Emerging Markets Equity Fund, European Property Fund, Global Infrastructure Fund, Global Property Fund, Latin American Equity Fund and US Property Fund so as to clarify that each such Fund may invest in warrants on an ancillary basis.

The purpose of this change is to make clearer to investors that each such Fund may invest in warrants as part of their respective existing investment policies.

The risk profile of the relevant Funds will not change due to this proposed change in its investment policy.

This change in the investment policy of the relevant Funds will be included in the Prospectus and is not intended to have any impact on the relevant Funds' current portfolios, which shall remain managed according to the same investment strategies and criteria than those used previously.

The effective date of this change was 29 February 2016.

5. Removal of Investment Restriction relating to investment in warrants

The Board has resolved to update Appendix A of the Prospectus to remove the investment restriction for all Funds from investing in warrants in a proportion exceeding 10% of the relevant Fund's net assets, in terms of the total premium paid.

Appendix A of the Prospectus is intended to contain the investment restrictions that apply to the Company by virtue of its authorisation as a UCITS scheme. Under the UCITS regime, warrants are treated as derivatives and it is no longer appropriate to include a restriction based on warrant premiums, as warrants are covered by the rules and restrictions that apply to derivatives.

The relevant Funds will remain managed according to the same investment strategies and criteria as those used previously. The risk profile of the Funds will not change due to this proposed change.

The effective date of this change was 29 February 2016.

6. Update in Investment Process of Diversified Alpha Plus Fund

The Board has resolved to revise the investment process of the Diversified Alpha Plus Fund. The purpose of this updated investment process is to better explain to investors the investment process used by the Investment Adviser for the Fund.

The Company proposes to implement the Fund's investment policy using a top-down, global macroeconomic and thematic investment approach that focuses on asset class, sector, region and country selection, as opposed to individual security selection. The Fund's allocations will be based upon the Investment Adviser's evaluations and analyses, taking into account its fundamental investment research, which is primarily driven by quantitative macroeconomic and market data.

Investment decisions will be made without regard to any particular limit, subject to Appendix A of the Prospectus, as to geographical location, sector, credit rating, maturity, currency denomination or market capitalization. The Fund may invest in any country, including developing or emerging market countries. The Fund's investments may be denominated in Euros or in currencies other than the Euro.

The risk profile of the Fund will not change due to this proposed change in its investment process.

The effective date of this change was 29 February 2016.

7. Update in Investment Process of Global Opportunity Fund

The Board has resolved to revise the investment process of the Global Opportunity Fund. The purpose of this updated investment process is to better explain to investors the investment process used by the Investment Adviser for the Fund.

The Company proposes to implement the Fund's investment policy by investing in a diversified portfolio of companies using in-depth bottom-up fundamental company research. The investment process will rely on a disciplined approach to identify companies with sustainable competitive advantages and the ability to redeploy capital at a high rate of return. The Investment Adviser will aim to buy these issuers at large discounts, to the Investment Adviser's opinion, of their intrinsic value.

The risk profile of the Fund will not change due to this proposed change in its investment process.

The effective date of this change will be 25 April 2016.

8. Change in dividend policy of Distributing Share Classes

The Board has resolved to increase the level of distribution for Share Classes with Share Class Sub-Indicators X under the "Dividend Policy" section of the Prospectus.

For such Distributing Share Class, the Company intends to increase the level of declared dividends to be equal to the net investment income attributable to such Share Class (i.e. 100% of the net investment income), from the existing level of declared dividends to being equal to at least 85% of such net investment income attributable to the Share Class.

The purpose of this increased level is to more accurately reflect the current practice of the Company's level of dividends declared for such Share Classes. Such increase in the dividend policy of the Distribution Share Classes is not intended to have any impact on the existing management of such Share Classes.

The effective date of this change was 29 February 2016.

GENERAL

In relation to the change described under sections 1 and 7 of this Notice, shareholders' right to redeem or convert their shares is not affected and shareholders may redeem or convert their shareholding without any redemption or conversion charges, with the exception of applicable Contingent Deferred Sales Charges, if they do not agree with the above-mentioned change as from receipt of this notice and up to 1 pm CET on 22 April 2016.

The changes described in this Notice will not give rise to additional costs and expenses implications (other than costs associated with update of the Prospectus, which will be borne by the Company).

Capitalised terms used in this Notice shall have the meaning as defined in the current prospectus of the Company, unless the context otherwise requires.

The Board accepts responsibility for the accuracy of the information contained in this Notice.

**NOTICE TO UNITHOLDERS
– VALUE PARTNERS HIGH-DIVIDEND STOCKS FUND
(the “Trust”)**

Dear Unitholders,

We are writing to notify you of the following changes to the Trust:

1. change in domicile and change of Trustee, Manager, Registrar and Administrator of the Trust; and
2. offer of new classes of Units.

The above changes will take effect on and from 22 April 2016 (“**Effective Date**”) and will be reflected in the revised Explanatory Memorandum of the Trust (“**Explanatory Memorandum**”) and the Product Key Facts Statement.

Capitalized terms used herein but not otherwise defined will have the same meaning as defined in the Explanatory Memorandum.

A. Change in Domicile of the Trust and Change of Trustee, Manager, Registrar and Administrator of the Trust

1. Change in Domicile of the Trust and Change of Trustee

The Trust is currently constituted as a trust under the laws of the Cayman Islands by a trust deed dated 7 August 2002, as amended from time to time (the “**Trust Deed**”). It is regulated by the Cayman Islands Monetary Authority (“**CIMA**”). The reasons for proposing the change of the jurisdiction of the Trust is to rationalize the structure of the Trust as the operations of the Trust are mainly in Hong Kong and to prepare for distribution of the Trust in Mainland China under the Mainland-Hong Kong Mutual Recognition of Funds initiative, so as to broaden and diversify the investor base.

Bank of Bermuda (Cayman) Limited (“**Retiring Trustee**”) declares that with effect on and from the Effective Date, the proper law of the Trust will be changed from the Cayman Islands to Hong Kong. The courts of Hong Kong shall remain to be the forum for the administration of the Trust.

Immediately after the change in domicile of the Trust on the Effective Date, the Retiring Trustee, the existing Trustee of the Trust, will retire and will also cease to act as Registrar and Administrator of the Trust. In relation to the Trust, the trustee functions will be assumed by HSBC Institutional Trust Services (Asia) Limited (“**New Trustee**”) which is currently the Custodian and Registrar’s Agent of the Trust. The New Trustee will also act as the Administrator of the Trust on the Effective Date. The New Trustee is registered as a trust company in Hong Kong and is an indirect wholly owned subsidiary of The Hongkong and Shanghai Banking Corporation Limited. The ultimate holding company is HSBC Holdings plc.

The New Trustee is independent of the existing Manager, Value Partners Limited, and Value Partners Hong Kong Limited (being the proposed new manager of the Trust) for the purpose of the Code on Unit Trusts and Mutual Funds (the “Code”) of the Securities and Futures Commission in Hong Kong (“SFC”). The retirement of the Retiring Trustee will take effect at the same time as the New Trustee takes up office.

The Manager is of the view that the change of domicile and trustee is beneficial to the Trust and in the interests of Unitholders. No approval from Unitholders or extraordinary resolution is required under the relevant laws of Cayman Islands and the Trust Deed.

The change of domicile and trustee will not result in the Trust incurring any liability to taxation or suffering any other pecuniary disadvantage which the Trust might not otherwise have incurred or suffered and will not subject the Trust to additional regulations or requirements which it would not otherwise be subject to. Notwithstanding the foregoing, Unitholders will be subject to stamp duty in Hong Kong on the transfer of Units as further described below.

With effect on and from the Effective Date, the register of Unitholders of the Trust will be maintained in Hong Kong, no Hong Kong stamp duty will be payable by Unitholders on the issue and/or redemption of Units in the Trust. However, the transfer of Units in the Trust by Unitholders may be subject to stamp duty in Hong Kong, depending on the mode and circumstances of the transfer. The current rate of Hong Kong stamp duty if applicable is HK\$1 per HK\$1,000 or part thereof of the price or market value of the Units, whichever is higher. In addition, a fixed duty of HK\$5 is currently payable on any instrument of transfer of Units.

As regards the Trust being a regulated mutual fund in the Cayman Islands, application will be made for deregistration of the Trust from CIMA with effect on and from the Effective Date.

2. Change of Manager

As part of the rationalization of the structure of the Trust and to prepare for distribution of the Trust in Mainland China under the Mainland-Hong Kong Mutual Recognition of Funds initiative, immediately after the retirement of the Retiring Trustee and the appointment of the New Trustee and the change of jurisdiction of the Trust, the existing Manager, Value Partners Limited (“Retiring Manager”) will retire as manager of the Trust and Value Partners Hong Kong Limited (“New Manager”) will be appointed as manager of the Trust.

The New Manager is licensed by the SFC for type 1 (dealing in securities), type 4 (advising on securities), type 5 (advising on futures contracts) and type 9 (asset management) regulated activities under the Securities and Futures Ordinance with CE number AFJ002. The New Manager is the immediate holding company of the Retiring Manager and is currently managing other existing funds authorised by the SFC. The New Manager shares the same infrastructure, including investment personnel, as the Retiring Manager. Accordingly, the change of manager will not affect the management of the Trust and the Trust will continue to operate in the same manner as it currently operates. Further, there is no change to the communication channels in relation to the Trust.

The change of manager does not require approval from Unitholders nor extraordinary resolution under the relevant laws of Hong Kong and the Trust Deed.

3. Change of Registrar and Administrator

With effect on and from the Effective Date, the New Trustee will also replace the Retiring Trustee as the Registrar and Administrator. There will no longer be a Registrar’s Agent after the New Trustee assumes the role of the Registrar of the Trust. The New Trustee will maintain the register in Hong Kong.

4. Duration of the Trust

Under the existing Trust Deed which is governed by the laws of the Cayman Islands, the Trust

shall terminate at the expiry of 150 years less one day from the date of the Trust Deed, unless the Trust is terminated earlier in accordance with the Trust Deed.

Following the change of domicile of the Trust to Hong Kong, the Trust will be governed by Hong Kong laws. Under the Perpetuities and Accumulations Ordinance (Chapter 257 of the Laws of Hong Kong) as amended from time to time, the maximum duration of a trust in relation to an instrument which took effect prior to 1 December 2013 is 80 years from the date of its establishment or such other date or duration as contemplated by the Perpetuities and Accumulations Ordinance (Chapter 257 of the Laws of Hong Kong) as amended from time to time.

The Trust was established pursuant to the Trust Deed on 7 August 2002. Consequently, the duration of the Trust following the change of domicile to Hong Kong shall be a period of 80 years from the date of its establishment in the Cayman Islands (i.e. from 7 August 2002 to 6 August 2082), unless it is terminated earlier in accordance with the Trust Deed.

5. Amendments to the Trust Deed

With effect on and from the Effective Date, changes will be made to the Trust by the Deed of Retirement and Appointment of the Trustee and the Deed of Retirement and Appointment of Manager (together the “**Deeds of Retirement and Appointment**”) to reflect the change of domicile of the Trust, the retirement of the Retiring Trustee and the Retiring Manager and the appointment of the New Trustee and the New Manager.

The change of domicile of the Trust, the retirement of the Retiring Trustee and the Retiring Manager and the appointment of the New Trustee and the New Manager will take effect pursuant to the Deeds of Retirement and Appointment. The Trust Deed will be further amended by a supplemental deed (the “**Supplemental Deed**”) to reflect consequential amendments arising from the change of domicile of the Trust, the retirement of the Retiring Trustee and the Retiring Manager, the appointment of the New Trustee and the New Manager and other ancillary amendments.

The New Trustee and the New Manager have certified that:

- (i) the below amendments to the Trust Deed by way of the Supplemental Deed (save in respect of the amendments to Clause 15.4(A), Clause 15.4(B), Clause 15.4(C), Clause 31.15(A), Clause 31.15(B) and Clause 31.15(C) of the Trust Deed (under items (d), (e), (f), (h), (i) and (j) below respectively)) do not materially prejudice the interests of Unitholders in any class; do not operate to release to any material extent the New Trustee or the New Manager or any other person from any liability to Unitholders in any class; and will not result in any increase in the amount of costs and charges payable from the assets of the Trust; and
- (ii) the below amendments to Clause 15.4(A), Clause 15.4(B), Clause 15.4(C), Clause 31.15(A), Clause 31.15(B) and Clause 31.15(C) of the Trust Deed by way of the Supplemental Deed (under items (d), (e), (f), (h), (i) and (j) below respectively) are necessary in order to make possible compliance with any fiscal, statutory or official requirement (whether or not having the force of law).

Accordingly, such amendments to the Trust Deed do not require any prior approval from Unitholders or meeting of Unitholders to be held to pass an extraordinary resolution under the relevant laws of Hong Kong and the Trust Deed.

A summary of the key amendments to be made to the Trust Deed by way of the Supplemental Deed is as follows:

- (a) the names and addresses of the parties to the Trust Deed will be changed as result of the retirement of the Retiring Trustee and the Retiring Manager and the appointment of the New Trustee and the New Manager;

- (b) the clauses which restrict Units from being acquired or held by any person who is resident or domiciled in the Cayman Islands (other than an exempted company or an ordinary non-resident company) will be deleted (Clause 3.4(D) of the Trust Deed);
- (c) relevant clauses will be updated to reflect the provisions of 10.11 and 10.13 of the Code regarding transactions with connected persons (Clauses 12.12 and 12.12A of the Trust Deed);
- (d) relevant clause will be amended to clarify that the Trustee shall exercise reasonable skill, care and diligence in the selection, appointment and ongoing monitoring of its agent, nominee, custodian or co-custodian (each a “**Correspondent**”) to hold any of the investments of the Trust Fund (Clause 15.4(A) of the Trust Deed);
- (e) relevant clause will be amended to clarify that the Trustee shall be responsible during the term of appointment of each Correspondent for satisfying itself as to the ongoing suitability and competency of such Correspondent to provide services to the Trust (Clause 15.4(B) of the Trust Deed);
