On the Effective Date, the Receiving Underlying Fund will also be renamed to “JPMorgan Asian Smaller Companies Fund” to better reflect its investment universe and to better align with the industry naming convention. JPMorgan Funds (Asia) Limited, the manager of the Merging Underlying Fund (the “Manager”), believes that this Merger will benefit the investors as it will create a larger pool of assets which should not only provide potential economies of scale but also enhance fund management efficiency.

For the comparison of the Merging Underlying Fund and Receiving Underlying Fund, please refer to the table below:

	Merging Underlying Fund	Receiving Underlying Fund
Investment objective and policies	The investment policy of the Merging Underlying Fund is to provide investors with long-term capital growth by investing primarily in the securities of small to medium-sized companies in the People’s Republic of China, Hong Kong and Taiwan (“Greater China”). The Merging Underlying Fund may also invest in derivatives such as forward contracts, options, warrants and futures for investment purposes and may under limited circumstances as considered appropriate by the manager and the investment manager, hold substantial amounts of its portfolio in cash and cash based instruments.	The investment policy of the Receiving Underlying Fund is to provide investors with long term capital growth by investing primarily in the securities of small to medium sized companies in the Asia-Pacific region, excluding Japan and Australia except the Manager may, from time to time, invest in Japan and Australia when appropriate investment opportunities arise. The Receiving Underlying Fund may also invest in derivatives such as forward contracts, options, warrants and futures for investment purposes and may under limited circumstances as considered appropriate by the manager and the investment manager, hold substantial amounts of its portfolio in cash and cash based instruments.

Risk factors	The risk factors of the Merging Underlying Fund and the Receiving Underlying Fund are similar. Key risk factors for the Merging Underlying Fund and the Receiving Underlying Fund are set out as below: <ul style="list-style-type: none"> • Emerging markets risk • Smaller companies risk • Currency risk • Liquidity risk • Equity risk 	
Manager	JPMorgan Funds (Asia) Limited	
Management fee	1.75% of NAV p.a. (maximum 2.5%)	1.5% of NAV p.a. (maximum 2.5%)

The legal, mailing and other administrative expenses associated with the Merger will be borne by the Manager. There are no unamortised establishment costs outstanding relating to the Merging Underlying Fund.

The portfolio of the Merging Underlying Fund may be rebalanced to closely resemble that of the Receiving Underlying Fund. From that point onwards, the Merging Underlying Fund will follow the investment objective and policies of the Receiving Underlying Fund, until the Effective Date. All transaction costs arising from such portfolio rebalancing will be borne by the Merging Underlying Fund, therefore investors who remain in the Merging Underlying Fund when such portfolio rebalancing is carried out will be impacted. Dear Investor,

**Merger of JPMorgan Greater China Smaller Companies Fund
into JPMorgan Eastern Smaller Companies Fund**

We are writing to inform you of our proposal to merge JPMorgan Greater China Smaller Companies Fund (the “Terminating Fund”) into JPMorgan Eastern Smaller Companies Fund (the “Receiving Fund”). JPMorgan Funds (Asia) Limited, the manager of the Terminating Fund (the “Manager”), believes that this proposal will benefit the unitholders as it will create a larger pool of assets which should not only provide potential economies of scale but also enhance fund management efficiency.

The proposal to merge the Terminating Fund into the Receiving Fund (the “Merger”) is to be decided at a general meeting of unitholders of the Terminating Fund (the “Meeting”) convened in accordance with paragraphs 28 and 29.4 of the base terms dated 31 October 2016 (which have been incorporated by way of an amended and restated trust deed into the Terminating Fund’s trust deed dated 26 August 2009, as further amended and supplemented from time to time (the “Trust Deed”). The Meeting will be held on 10 January 2019, 2:30 p.m. (Hong Kong time) at 27th Floor, Chater House, 8 Connaught Road Central, Hong Kong. The Manager recommends that unitholders vote in favour of the resolutions being put to them at the Meeting.

Please refer to Enclosure I which highlights the key differences and similarities between the Terminating Fund and the Receiving Fund (including the investment objective and policies, risk factors, latest fund size, fees and charges and total expense ratio) for reference. The Terminating Fund currently has only one class, i.e., JPMorgan Greater China Smaller Companies (acc) - HKD, which will be merged into the JPMorgan Eastern Smaller Companies (acc) - HKD class* of the Receiving Fund. Unitholders should also refer to the relevant sections of the JPMorgan Funds (Unit Trust Range) Explanatory Memoranda dated October 2016, as amended from time to time (the “Consolidated Explanatory Memoranda”) and the relevant Product Key Fact Statements which set out a description of the investment policies and specific risk factors of the Terminating Fund and the Receiving Fund.

Kindly take careful note of the details of the agenda as well as the quorum and voting requirements as set out in the Notice of General Meeting of Unitholders (Enclosure II). If you would like to vote but cannot personally attend the Meeting, you should complete and return the Form of Proxy (Enclosure III) to us **URGENTLY**, which in any event should be received by us no later than 4 January 2019, 6:00 p.m. (Hong Kong time), using the envelope provided. If, however, we do not hear from you by this date and time, your instructions will not be reflected in respect of your holdings and therefore will not be considered at the Meeting.

* The class will be launched and made available to unitholders before the Merger Date, if the resolutions in relation to the Merger are passed at the Meeting.

With effect from and including the date of this letter, the Terminating Fund is no longer allowed to be marketed to the public in Hong Kong, and further subscription and switching into the Terminating Fund will be suspended until further notice, except for investment from existing investors through Regular Investment Plan¹, eScheduler² and pension schemes, which will be still permissible (insofar as there is no increase in the scheduled contribution amount) until 1 March 2019 if the proposed Merger is approved by the unitholders at the Meeting.

Should the proposed Merger be approved by the unitholders at the Meeting, units held by unitholders in the Terminating Fund, including those units invested through the Regular Investment Plan, eScheduler and pension schemes, will be exchanged for units in the Receiving Fund on 8 March 2019 or such other date as may be determined by the Manager (the “Merger Date”) which will be set out in the notification letter to unitholders regarding the outcome of the Meeting (the “Result Notice”). Those investing in the Terminating Fund through the Regular Investment Plan, eScheduler and pension schemes should note that future investments into the Terminating Fund will permanently cease on the Merger Date.

The Merger will be in accordance with the terms and arrangements as set out in Enclosure IV “Details of the Merger Process”. Units in the Terminating Fund will be exchanged for units in the Receiving Fund on the basis of the formula set out in Enclosure IV. In particular, the Terminating Fund’s assets will be transferred to the Receiving Fund on the Merger Date after deduction of such amount as appropriate to meet all outstanding liabilities of the Terminating Fund. Accordingly, **unitholders who intend to remain in the Terminating Fund should note that such deduction will impact the net asset value of the Terminating Fund, which in turn may impact the number of units in the Receiving Fund that you may receive.** Unitholders should also note that the net asset value per unit of the Terminating Fund and the Receiving Fund on the Merger Date may not necessarily be the same. Therefore, while the overall value of your holding (except for rounding adjustments, if any) will remain the same, you may receive a different number of units in the Receiving Fund from what you previously held in the Terminating Fund. The contract notes for the disposal of units in the Terminating Fund and the issue of units in the Receiving Fund will be issued as soon as practicable after the Merger Date.

The legal, mailing and other administrative expenses associated with the proposed Merger are estimated to be approximately USD40,000 and will be borne by the Manager. There are no unamortised establishment costs outstanding relating to the Terminating Fund.

Redemption and switching from the Terminating Fund will cease after 1 March 2019, 5:00 p.m. (Hong Kong time) should the proposed Merger be approved by the unitholders at the Meeting. If you do not wish to hold units in the Receiving Fund after the Merger Date, we are pleased to offer you the opportunity to switch your current holding in the Terminating Fund, free of charge, into any other funds which are managed by the Manager or for which it acts as Hong Kong representative³ and are authorised by the Securities and Futures Commission (“SFC”)⁴, provided that we receive your switching instruction from the date of this letter up to and including 1 March 2019, 5:00 p.m.

¹ If you invest through a bank, distributor or financial adviser, please note that the arrangement of your Regular Investment Plan may be different. You are advised to contact your bank, distributor or financial adviser should you have any questions.

² The eScheduler is only available to clients dealing via J.P. Morgan eTrading platform in Hong Kong.

³ Please note that, as provided in the relevant offering documents of the funds, the manager or the Hong Kong representative (as applicable) of each such fund has the discretion to accept or reject in whole or in part any application for units or shares (as the case may be) in the fund.

⁴ SFC authorisation is not a recommendation or endorsement of a scheme nor does it guarantee the commercial merits of a scheme or its performance. It does not mean the scheme is suitable for all investors nor is it an endorsement of its suitability for any particular investor or class of investors.

(Hong Kong time)⁵. The details of such funds (including the relevant offering documents) can be found on our website www.jpmorganam.com.hk⁶. If you would prefer to redeem your holding in the Terminating Fund, you may do so up to and including 1 March 2019, 5:00 p.m. (Hong Kong time), free of charge⁷.

Should there be any significant redemption from the Terminating Fund prior to the Merger, the Manager may, with due care, skill and diligence, and in consultation with the Trustee, apply any liquidity risk management tools specified in the sub-section entitled “Liquidity Risk Management” under the section entitled “GENERAL” in the Consolidated Explanatory Memoranda to ensure unitholders are treated fairly.

Please note that, should the proposed Merger be approved by the unitholders at the Meeting, starting from 4 March 2019, the portfolio of the Terminating Fund may be rebalanced to closely resemble that of the Receiving Fund. From that point onwards, the Terminating Fund will follow the investment objective and policies of the Receiving Fund, until the Merger Date. All transaction costs arising from such portfolio rebalancing will be borne by the Terminating Fund, therefore **unitholders who remain in the Terminating Fund when such portfolio rebalancing is carried out will be impacted**. The Terminating Fund is also expected to incur transaction costs in its subsequent transfer of assets to the Receiving Fund, which, together with the transaction costs arising from portfolio rebalancing, are estimated to be approximately 0.31% of the total net asset value of the Terminating Fund as of 7 September 2018.

The Result Notice will be sent to unitholders as soon as practicable after the Meeting. In the event that unitholders do not approve the proposed Merger, the proposal to merge the Terminating Fund into the Receiving Fund will not proceed. In such event, the Terminating Fund will resume processing subscriptions to the Terminating Fund, including those through the Regular Investment Plan, eScheduler and pension schemes, with effect from the date of the Result Notice and will continue to process redemptions and switching as set out in the Consolidated Explanatory Memoranda.

The proposed Merger will have no Hong Kong profits tax implications to the Terminating Fund or the Receiving Fund. Unitholders of the Terminating Fund should note that the exchange of units in the Terminating Fund for units in the Receiving Fund pursuant to the proposed Merger may be considered as a disposal of the units in the Terminating Fund for tax purposes and any gains derived may be subject to tax. Generally, unitholders will not be liable to Hong Kong profits tax on gains realised on the disposal of units, except where the acquisition and disposal of units are or form part of a trade, profession or business carried on by the unitholders in Hong Kong and the gains are revenue in nature for Hong Kong profits tax purposes. The classification of a gain as revenue or capital will depend on the particular circumstances of the unitholders. Unitholders should take advice from their own professional advisors as to their particular tax position.

Copies of the Consolidated Explanatory Memoranda, trust deeds, base terms and any other documents of the Terminating Fund and the Receiving Fund set out under the section entitled

⁵ Please note that although we will not impose any charges in respect of your switching instructions, your bank, distributor, financial adviser or pension scheme trustee or administrator may charge you switching and/or transaction fees and may impose different dealing arrangements. You are advised to contact your bank, distributor, financial adviser or pension scheme trustee or administrator should you have any questions.

Details of the Merger Process

Scheme arrangement (the “Scheme”)¹

1. The Trustee and the Manager shall transfer all the Terminating Fund’s assets (after deduction of such amount as the Trustee and the Manager determine to be appropriate to meet all outstanding liabilities of the Terminating Fund) to the Receiving Fund on the effective date of the Merger (the “Merger Date”) in consideration for the issue of units of the Receiving Fund to the unitholders of the Terminating Fund (the “Unitholders”).
2. The Terminating Fund shall terminate on the Merger Date following the final transfer (in accordance with paragraph 1 above) of the Terminating Fund’s assets to the Receiving Fund.
3. The Trustee and the Manager will take reasonable care to ensure the provision for liabilities of the Terminating Fund to be a fair estimate. If there shall be any surplus after discharging all outstanding liabilities of the Terminating Fund, the Manager shall arrange for that surplus to be transferred to the Receiving Fund. If the provision for liabilities is insufficient to discharge all outstanding liabilities of the Terminating Fund, the Manager shall bear the deficit at its own cost.
4. The issue of units of the Receiving Fund shall be made to Unitholders on the basis of the following formula:

$$N = C / P$$

Where:

N = Number of units² in the Receiving Fund (rounded to 3 decimal places) issued to the Unitholder

P = Net Asset Value per unit³ of the Receiving Fund (rounded to 2 decimal places) where the assets of the Receiving Fund are valued in accordance with paragraph 5 below

C = M x Q with the resultant sum rounded to 2 decimal places

M = Number of units and fractions thereof in the Terminating Fund held by the Unitholder

Q = Net Asset Value per unit of the Terminating Fund (rounded to 4 decimal places⁴) where the assets of the Terminating Fund are valued in accordance with paragraph 5 below after the deduction of an appropriate amount as set out in paragraph 1 above

5. The assets of the Terminating Fund shall be valued on the Merger Date in accordance with the base terms dated 31 October 2016 (which have been incorporated by way of an amended and restated trust deed into the Terminating Fund’s trust deed dated 26 August 2009, as further amended and supplemented from time to time). The assets of the Receiving Fund

¹ Capitalised terms used herein shall have the same meanings as in the Notice of General Meeting of Unitholders (Enclosure II) and the trust deed of the Terminating Fund, unless otherwise defined.

² This refers to the number of units in the respective classes of the Receiving Fund.

³ This refers to the Net Asset Value per unit of the respective classes of the Receiving Fund.

⁴ Please note that this rounding treatment only applies to the Merger in the calculation of the number of units in the Receiving Fund that will be issued to Unitholders, and is intended to reduce the impact of rounding in the calculation so that the number of units that Unitholders will receive will more accurately reflect the value of their holdings in the Terminating Fund on the Merger Date.

shall be valued on the Merger Date in accordance with the base terms dated 31 October 2016 (which have been incorporated by way of an amended and restated trust deed into the Receiving Fund's trust deed dated 2 December 1991, as further amended and supplemented from time to time). The manager of the Terminating Fund and the Receiving Fund shall use and apply the same valuation means, determinations or methods for the Terminating Fund and the Receiving Fund.

6. All liabilities attributable to the Terminating Fund or the Receiving Fund prior to the Merger Date shall be binding solely upon the Terminating Fund or the Receiving Fund as the case may be. In calculating the liabilities of the Terminating Fund or the Receiving Fund for the purposes of the Net Asset Value, the Manager or, as the case may be, the manager of the Receiving Fund shall value such liabilities in accordance with the normal accounting policies or valuation principles of the Terminating Fund or the Receiving Fund, as the case may be.
7. In relation to units of the Receiving Fund issued pursuant to this Scheme:-
 - A) JPMorgan Funds (Asia) Limited will issue contract notes for such units on or before the second Business Day immediately following the Merger Date or as soon as practicable thereafter, to the persons entitled thereto at their respective addresses appearing in the Terminating Fund's register of Unitholders (and, in the case of joint Unitholders, to the address of the first named); and
 - B) the Manager shall be entitled to assume that all information contained in the Terminating Fund's register of Unitholders is correct and to utilise the same in procuring registration of the units issued pursuant to the Scheme.
8. The provisions in this Scheme shall have effect subject to such modifications or additions as the Manager and the Trustee may from time to time approve in writing and consider it is in the best interests of Unitholders.
9. The trustee and the manager of the Receiving Fund shall be entitled to act and rely upon any certificate, opinion, advice or information furnished by the Trustee, the Manager, the Registrar, the Auditors of the Terminating Fund and its or their other professional advisers and shall not be liable or responsible for any loss suffered as a result thereof.
10. The Trustee and the Manager of the Terminating Fund shall be entitled to act and rely upon any certificate, opinion, evidence or information furnished by the trustee, the manager, the registrar, the auditors of the Receiving Fund and its or their other professional advisers and shall not be liable or responsible for any loss suffered as a result thereof.
11. The Scheme is conditional upon the passing of the Extraordinary Resolutions and to all conditions (if any) to such resolutions being fulfilled.
12. If approved by the passing of the Extraordinary Resolutions, this Scheme shall be binding on all Unitholders in accordance with its terms and on all persons claiming through or under them.
13. The legal, mailing and other administrative expenses associated with the proposed Merger shall be borne by the Manager. All transaction costs arising from the portfolio rebalancing of the Terminating Fund for the purpose of the Merger will be borne by the Terminating Fund.

4 March 2019

Dear Investor,

**Merger of JPMorgan Greater China Smaller Companies Fund
into JPMorgan Eastern Smaller Companies Fund**

Please be informed that the general meeting of unitholders of JPMorgan Greater China Smaller Companies Fund (the “Terminating Fund”) which was convened on 10 January 2019 could not be validly constituted so as to deliberate on the proposed resolution as the required quorum for the meeting was not met. As a result, the general meeting of unitholders was adjourned and will be reconvened on 8 April 2019, 2:30 p.m. (Hong Kong time) (the “Adjourned Meeting”) at 27th Floor, Chater House, 8 Connaught Road Central, Hong Kong.

The proposal to merge the Terminating Fund into JPMorgan Eastern Smaller Companies Fund (the “Receiving Fund”) (the “Merger”) is to be decided at the Adjourned Meeting convened in accordance with paragraphs 28 and 29.4 of the base terms dated 31 October 2016 (which have been incorporated by way of an amended and restated trust deed into the Terminating Fund’s trust deed dated 26 August 2009, as further amended and supplemented from time to time (the “Trust Deed”). JPMorgan Funds (Asia) Limited, the manager of the Terminating Fund (the “Manager”), believes that this proposal will benefit the unitholders as it will create a larger pool of assets which should not only provide potential economies of scale but also enhance fund management efficiency. The Manager recommends that unitholders vote in favour of the resolution being put to them at the Adjourned Meeting.

The Terminating Fund is no longer allowed to be marketed to the public in Hong Kong, and further subscription and switching into the Terminating Fund will continue to be suspended until further notice, except for investment from existing investors through Regular Investment Plan¹, eScheduler² and pension schemes, which will continue to be permissible (insofar as there is no increase in the scheduled contribution amount) until 24 May 2019 if the proposed Merger is approved by the unitholders at the Adjourned Meeting.

The Terminating Fund currently has only one class, i.e., JPMorgan Greater China Smaller Companies (acc) - HKD, which will be merged into the JPMorgan Eastern Smaller Companies (acc) - HKD class* of the Receiving Fund. Please refer to Enclosure I which highlights the key differences and similarities between the Terminating Fund and the Receiving Fund (including the investment objective and policies, risk factors, latest fund size, fees and charges and total expense ratio) for reference. Unitholders should also refer to the relevant sections of the JPMorgan Funds

¹ If you invest through a bank, distributor or financial adviser, please note that the arrangement of your Regular Investment Plan may be different. You are advised to contact your bank, distributor or financial adviser should you have any questions.

² The eScheduler is only available to clients dealing via J.P. Morgan eTrading platform in Hong Kong.

* The class will be launched and made available to unitholders before the Merger Date, if the resolution in relation to the Merger are passed at the Adjourned Meeting.

(Unit Trust Range) Explanatory Memoranda dated October 2016, as amended from time to time (the “Consolidated Explanatory Memoranda”) and the relevant Product Key Fact Statements which set out a description of the investment policies and specific risk factors of the Terminating Fund and the Receiving Fund.

Kindly take careful note of the details of the agenda as well as the quorum and voting requirements as set out in the Notice of General Meeting of Unitholders (Enclosure II). Any unitholders present in person or by proxy at the Adjourned Meeting, whatever the number of unitholders or number of units held by them, will form a quorum. The resolution will be passed by a majority of 75% or more of the votes expressed by the unitholders present or represented at such Adjourned Meeting. **The Forms of Proxy that have already been properly returned in time for the meeting held on 10 January 2019 will remain valid for the Adjourned Meeting unless specifically revoked in writing by 28 March 2019. Forms of Proxy returned after the designated date and time for the first meeting (i.e. 4 January 2019, 6:00 p.m. (Hong Kong time)) but prior to the date and time stipulated below will be counted towards the resolution at the Adjourned Meeting unless specifically revoked in writing by 28 March 2019. Votes cast shall not include those which are attached to units where the unitholders have abstained, have not taken part in the vote or have returned a blank or invalid vote.** If you have not yet returned the Form of Proxy, please complete and return the Form of Proxy (Enclosure III) to us **URGENTLY**, which in any event should be received by us no later than 28 March 2019, 6:00 p.m. (Hong Kong time), using the envelope provided. If, however, we do not hear from you by this date and time, your instructions will not be reflected in respect of your holdings and therefore will not be considered at the Adjourned Meeting.

Should the proposed Merger be approved by the unitholders at the Adjourned Meeting, units held by unitholders in the Terminating Fund, including those units invested through the Regular Investment Plan, eScheduler and pension schemes, will be exchanged for units in the Receiving Fund on 31 May 2019 or such other date as may be determined by the Manager (the “Merger Date”) which will be set out in the notification letter to unitholders regarding the outcome of the Adjourned Meeting (the “Result Notice”). Those investing in the Terminating Fund through the Regular Investment Plan, eScheduler and pension schemes should note that future investments into the Terminating Fund will permanently cease on the Merger Date.

The Merger will be in accordance with the terms and arrangements as set out in Enclosure IV “Details of the Merger Process”. Units in the Terminating Fund will be exchanged for units in the Receiving Fund on the basis of the formula set out in Enclosure IV. In particular, the Terminating Fund’s assets will be transferred to the Receiving Fund on the Merger Date after deduction of such amount as appropriate to meet all outstanding liabilities of the Terminating Fund. Accordingly, **unitholders who intend to remain in the Terminating Fund should note that such deduction will impact the net asset value of the Terminating Fund, which in turn may impact the number of units in the Receiving Fund that you may receive.** Unitholders should also note that the net asset value per unit of the Terminating Fund and the Receiving Fund on the Merger Date may not necessarily be the same. Therefore, while the overall value of your holding (except for rounding adjustments, if any) will remain the same, you may receive a different number of units in the Receiving Fund from what you previously held in the Terminating Fund. The contract notes for the disposal of units in the Terminating Fund and the issue of units in the Receiving Fund will be issued as soon as practicable after the Merger Date.

The legal, mailing and other administrative expenses associated with the proposed Merger, are estimated to be approximately USD40,000 and will be borne by the Manager. There are no unamortised establishment costs outstanding relating to the Terminating Fund.

Redemption and switching from the Terminating Fund will cease after 24 May 2019, 5:00 p.m. (Hong Kong time) should the proposed Merger be approved by the unitholders at the Adjourned Meeting. If you do not wish to hold units in the Receiving Fund after the Merger Date, we are pleased to offer you the opportunity to switch your current holding in the Terminating Fund, free of charge, into any other funds which are managed by the Manager or for which it acts as Hong Kong representative³ and are authorised by the Securities and Futures Commission (“SFC”)⁴, provided that we receive your switching instruction on or before 24 May 2019, 5:00 p.m. (Hong Kong time)⁵. The details of such funds (including the relevant offering documents) can be found on our website www.jpmorganam.com.hk⁶.

If you would prefer to redeem your holding in the Terminating Fund, you may do so up to and including 24 May 2019, 5:00 p.m. (Hong Kong time), free of charge⁷.

Should there be any significant redemption from the Terminating Fund prior to the Merger, the Manager may, with due care, skill and diligence, and in consultation with the Trustee, apply any liquidity risk management tools specified in the sub-section entitled “Liquidity Risk Management” under the section entitled “GENERAL” in the Consolidated Explanatory Memoranda to ensure unitholders are treated fairly.

Please note that, should the proposed Merger be approved by the unitholders at the Adjourned Meeting, starting from 27 May 2019, the portfolio of the Terminating Fund may be rebalanced to closely resemble that of the Receiving Fund. From that point onwards, the Terminating Fund will follow the investment objective and policies of the Receiving Fund, until the Merger Date. All transaction costs arising from such portfolio rebalancing will be borne by the Terminating Fund, therefore **unitholders who remain in the Terminating Fund when such portfolio rebalancing is carried out will be impacted**. The Terminating Fund is also expected to incur transaction costs in its subsequent transfer of assets to the Receiving Fund, which, together with the transaction costs arising from portfolio rebalancing, are estimated to be approximately 0.30% of the total net asset value of the Terminating Fund as of 31 December 2018.

The Result Notice will be sent to unitholders as soon as practicable after the Adjourned Meeting. In the event that unitholders do not approve the proposed Merger, the proposal to merge the Terminating Fund into the Receiving Fund will not proceed. In such event, the Terminating Fund will resume processing subscriptions to the Terminating Fund, including those through the Regular Investment Plan, eScheduler and pension schemes, with effect from the date of the Result Notice and will continue to process redemptions and switching as set out in the Consolidated Explanatory Memoranda.

The proposed Merger will have no Hong Kong profits tax implications to the Terminating Fund or the Receiving Fund. Unitholders of the Terminating Fund should note that the exchange of units in the Terminating Fund for units in the Receiving Fund pursuant to the proposed Merger may be

³ Please note that, as provided in the relevant offering documents of the funds, the manager or the Hong Kong representative (as applicable) of each such fund has the discretion to accept or reject in whole or in part any application for units or shares (as the case may be) in the fund.

Generally, unitholders will not be liable to Hong Kong profits tax on gains realised on the disposal of units, except where the acquisition and disposal of units are or form part of a trade, profession or business carried on by the unitholders in Hong Kong and the gains are revenue in nature for Hong Kong profits tax purposes. The classification of a gain as revenue or capital will depend on the particular circumstances of the unitholders. Details of the Merger Process

Scheme arrangement (the “Scheme”)¹

1. The Trustee and the Manager shall transfer all the Terminating Fund’s assets (after deduction of such amount as the Trustee and the Manager determine to be appropriate to meet all outstanding liabilities of the Terminating Fund) to the Receiving Fund on the effective date of the Merger (the “Merger Date”) in consideration for the issue of units of the Receiving Fund to the unitholders of the Terminating Fund (the “Unitholders”).
2. The Terminating Fund shall terminate on the Merger Date following the final transfer (in accordance with paragraph 1 above) of the Terminating Fund’s assets to the Receiving Fund.
3. The Trustee and the Manager will take reasonable care to ensure the provision for liabilities of the Terminating Fund to be a fair estimate. If there shall be any surplus after discharging all outstanding liabilities of the Terminating Fund, the Manager shall arrange for that surplus to be transferred to the Receiving Fund. If the provision for liabilities is insufficient to discharge all outstanding liabilities of the Terminating Fund, the Manager shall bear the deficit at its own cost.
4. The issue of units of the Receiving Fund shall be made to Unitholders on the basis of the following formula:

$$N = C / P$$

Where:

N = Number of units² in the Receiving Fund (rounded to 3 decimal places) issued to the Unitholder

P = Net Asset Value per unit³ of the Receiving Fund (rounded to 2 decimal places) where the assets of the Receiving Fund are valued in accordance with paragraph 5 below

C = M x Q with the resultant sum rounded to 2 decimal places

M = Number of units and fractions thereof in the Terminating Fund held by the Unitholder

Q = Net Asset Value per unit of the Terminating Fund (rounded to 4 decimal places⁴) where the assets of the Terminating Fund are valued in accordance with paragraph 5 below after the deduction of an appropriate amount as set out in paragraph 1 above

5. The assets of the Terminating Fund shall be valued on the Merger Date in accordance with the base terms dated 31 October 2016 (which have been incorporated by way of an amended and restated trust deed into the Terminating Fund’s trust deed dated 26 August 2009, as further amended and supplemented from time to time). The assets of the Receiving Fund

¹ Capitalised terms used herein shall have the same meanings as in the Notice of General Meeting of Unitholders (Enclosure II) and the trust deed of the Terminating Fund, unless otherwise defined.

² This refers to the number of units in the respective classes of the Receiving Fund.

³ This refers to the Net Asset Value per unit of the respective classes of the Receiving Fund.

⁴ Please note that this rounding treatment only applies to the Merger in the calculation of the number of units in the Receiving Fund that will be issued to Unitholders, and is intended to reduce the impact of rounding in the calculation so that the number of units that Unitholders will receive will more accurately reflect the value of their holdings in the Terminating Fund on the Merger Date.

shall be valued on the Merger Date in accordance with the base terms dated 31 October 2016 (which have been incorporated by way of an amended and restated trust deed into the Receiving Fund's trust deed dated 2 December 1991, as further amended and supplemented from time to time). The manager of the Terminating Fund and the Receiving Fund shall use and apply the same valuation means, determinations or methods for the Terminating Fund and the Receiving Fund.

6. All liabilities attributable to the Terminating Fund or the Receiving Fund prior to the Merger Date shall be binding solely upon the Terminating Fund or the Receiving Fund as the case may be. In calculating the liabilities of the Terminating Fund or the Receiving Fund for the purposes of the Net Asset Value, the Manager or, as the case may be, the manager of the Receiving Fund shall value such liabilities in accordance with the normal accounting policies or valuation principles of the Terminating Fund or the Receiving Fund, as the case may be.
7. In relation to units of the Receiving Fund issued pursuant to this Scheme:-
 - A) JPMorgan Funds (Asia) Limited will issue contract notes for such units on or before the second Business Day immediately following the Merger Date or as soon as practicable thereafter, to the persons entitled thereto at their respective addresses appearing in the Terminating Fund's register of Unitholders (and, in the case of joint Unitholders, to the address of the first named); and
 - B) the Manager shall be entitled to assume that all information contained in the Terminating Fund's register of Unitholders is correct and to utilise the same in procuring registration of the units issued pursuant to the Scheme.
8. The provisions in this Scheme shall have effect subject to such modifications or additions as the Manager and the Trustee may from time to time approve in writing and consider it is in the best interests of Unitholders.
9. The trustee and the manager of the Receiving Fund shall be entitled to act and rely upon any certificate, opinion, advice or information furnished by the Trustee, the Manager, the Registrar, the Auditors of the Terminating Fund and its or their other professional advisers and shall not be liable or responsible for any loss suffered as a result thereof.
10. The Trustee and the Manager of the Terminating Fund shall be entitled to act and rely upon any certificate, opinion, evidence or information furnished by the trustee, the manager, the registrar, the auditors of the Receiving Fund and its or their other professional advisers and shall not be liable or responsible for any loss suffered as a result thereof.
11. The Scheme is conditional upon the passing of the Extraordinary Resolution and to all conditions (if any) to such resolution being fulfilled.
12. If approved by the passing of the Extraordinary Resolution, this Scheme shall be binding on all Unitholders in accordance with its terms and on all persons claiming through or under them.
13. The legal, mailing and other administrative expenses associated with the proposed Merger shall be borne by the Manager. All transaction costs arising from the portfolio rebalancing of the Terminating Fund for the purpose of the Merger will be borne by the Terminating Fund.

30 April 2019

Dear Investor,

Merger of JPMorgan Greater China Smaller Companies Fund into JPMorgan Eastern Smaller Companies Fund (to be renamed to JPMorgan Asian Smaller Companies Fund)

We refer to our notice dated 4 March 2019 (the “Notice”), notifying you of the adjourned general meeting of unitholders for JPMorgan Greater China Smaller Companies Fund (the “Terminating Fund”) held on 8 April 2019 in which the proposed merger (the “Merger”) of the Terminating Fund into JPMorgan Eastern Smaller Companies Fund (the “Receiving Fund”) was considered. Please be informed that the resolution relating to the proposed Merger was passed in the said adjourned general meeting and as a result, the Terminating Fund will merge into the Receiving Fund on 31 May 2019 (the “Merger Date”). On the Merger Date, the Receiving Fund will also be renamed to “JPMorgan Asian Smaller Companies Fund” to better reflect its investment universe and to better align with the industry naming convention.

As specified in the Notice, units held by unitholders in the Terminating Fund, including those units invested through the Regular Investment Plan¹, eScheduler² and pension schemes, will be exchanged for units in the Receiving Fund on the Merger Date.

The contract notes for the disposal of units in the Terminating Fund and the issue of units in the Receiving Fund will be issued as soon as practicable after the Merger Date. Unitholders should note that the net asset value per unit of the Terminating Fund and the Receiving Fund on the Merger Date may not necessarily be the same. Therefore, while the overall value of your holding (except for rounding adjustments, if any) will remain the same, you may receive a different number of units in the Receiving Fund from what you previously held in the Terminating Fund.

Redemption and switching from the Terminating Fund will cease after 24 May 2019, 5:00 p.m. (Hong Kong time). Investment from existing investors through Regular Investment Plan, eScheduler and pension schemes will still be permissible (insofar as there is no increase in the scheduled contribution amount) until 24 May 2019. If you do not wish to hold units in the Receiving Fund after the Merger Date, we are pleased to offer you the opportunity to switch your current holding in the Terminating Fund, free of charge, into any other funds which are managed by JPMorgan Funds (Asia) Limited (the “Manager”) or for which it acts as Hong Kong representative³ and are authorised by the Securities and Futures Commission (“SFC”)⁴, provided that we receive your switching instruction up to and including 24 May 2019, 5:00 p.m. (Hong Kong time)⁵. If you would prefer to redeem your holding in the Terminating Fund, you may do so up to and including 24 May 2019, 5:00 p.m. (Hong Kong time), free of charge⁷.

The Merger will have no Hong Kong profits tax implications to the Terminating Fund or the Receiving Fund. Unitholders of the Terminating Fund should note that the exchange of units in the Terminating Fund for units in the Receiving Fund pursuant to the Merger may be considered as a disposal of the units in the Terminating Fund for tax purposes and any gains derived may be subject to tax. Generally, unitholders will not be liable to Hong Kong profits tax on gains realised on the disposal of units, except where the acquisition and disposal of units are or form part of a trade, profession or business carried on by the unitholders in Hong Kong and the gains are revenue in nature for Hong Kong profits tax purposes. The classification of a gain as revenue or capital will depend on the particular circumstances of the unitholders. The Receiving Fund is treated as a “special category transparent offshore fund” for United Kingdom (the “UK”) tax purposes and the exchange of units in the Terminating Fund for units in the Receiving Fund may have UK tax implications to the UK tax resident unitholders. Unitholders should take advice from their own professional advisors as to their particular tax position.
