In view of such situation, we have also decided to suspend the dealing and valuation of the Investment Choices with effective from the Effective Date. Therefore, the Investment Choices are suspended for any new subscription, new instruction for regular premium allocation, switch-in, redemption and switch-out.

Actions to be taken

- (i) Policies with existing regular premium allocation to the Investment Choices**
You may redirect your existing regular premium allocation to other investment choice(s) available under the Schemes free of charge by submitting a reallocation instruction to us.
- (ii) Policies with existing notional units in the Investment Choices**
Your existing notional units remain in your policy. Any instruction of redemption and switch-out of the Investment Choices cannot be processed at the moment until the resumption of the dealing and valuation of the underlying Funds.
- (iii) Policies with instruction submitted for valuation date on or after the Effective Date**
Your instruction of subscription, redemption or switching of notional units of the Investment Choices will be held until the dealing and valuation of the underlying funds resume.
