Minor matters relating to investment choice

MassMutual Baring Europe Select Trust (BAEUE) - Change of Underlying Fund Trustee

As advised by Baring Asset Management, the Royal Bank of Scotland plc, (“RBS”) which acts as the trustee for the UK range of unit trusts managed by Baring Fund Managers Limited, will transfer its trustee services business to National Westminster Bank Plc (“Natwest”), an associate company within the Royal Bank of Scotland Group plc (the ultimate holding company of both RBS and Natwest). Consequently Natwest will be appointed as trustee of the underlying fund of BAEUE on January 16, 2012.

As trustee, Natwest will have the same duties and responsibilities as RBS and the change of trustee will have no impact on the level of fees borne by the underlying fund or on the way the underlying fund is operated.

The above minor matter has no impact to the investment objective and strategy of the relevant investment choice.

You should refer to the relevant prospectuses and the notice to shareholders of the underlying fund(s) of the above investment choice(s), which are made available by the Company upon request, or visit our website at <http://corp.massmutualasia.com/en/Invest/Premier-Choice-Series/Notice-of-Changes.aspx> to carefully read the details of the relevant documents in relation to the above change(s).

If you have selected the above investment choice(s) under your insurance policy and if for any reason you wish to change to other investment choice(s), you may switch your investment choice(s) to other available investment choice(s) provided by your policy. Currently, no switching charge applies to any of the investment choices and most of the investment choices do not have a bid-offer spread during subscription and switching of investment choices.
